Agenda discussions

1. FSLC 2024-2026 Strategy	Next Steps / Action Points
<p>FSL partners, Community, National, State and County authorities, and donors were involved in the consultation to come up with the 2024-2026 FSLC strategy. Community consultation covered almost 50 counties, 10 states, and three administrative areas.</p> <p>Also, inter-cluster integration meetings have just started, and we are planning to organize a workshop to develop a joint response strategy (including response packages and household targeting methodology).</p>	<p>All are invited to read through the FSL cluster workshop report on the Website here</p> <p>Link to presentation Here</p>
2. FSLC Localization strategy	Next Steps / Action Points
<p>Localization is a key pillar of FSLC's strategy, as a mean to improve food security by 2026. FSL cluster will advocate for funding to support the capacity building of the NNGO. Detailed Operational plans on the implementation of the strategy will be shared with all partners that will detail the timelines of the implementation process.</p>	<p>Link to presentation Here</p>
3. Coordination between Food assistance and multi-purpose cash	Next Steps / Action Points
<p>FSLC and CWG have decided to do join a coordinated response on MPC responses. A draft GFD and MPC coordination SOP has been developed to guide the FSLC sub-national focal points and partners.</p> <ul style="list-style-type: none"> • The first coordinated response has started in Malakal and training to the state focal point will be conducted soon. • FSLC will engage with the Cluster Lead Agencies, FSLC's SAG members, and ECHO on improving the operationality of the SOP 	<p>Partners are required to coordinate with FSLC and CWG state-level focal points when implementing MPC in every county to avoid overlap.</p> <p>Link to presentation here</p>
4. AOB:	Next Steps / Action Points

<ul style="list-style-type: none"> • Polio vaccination campaign – Health Cluster/WHO • CCPM Survey 	
<p>Dr William Mbabazi from WHO presented the polio vaccination campaign. South Sudan has declared help emergency and the campaign for vaccination against poliovirus have started this week.</p> <p>South Sudan's vice president has declared this week to be dedicated to the polio vaccination campaign and all partners are requested to support and participate when necessary.</p>	<p>All partners are requested to report any suspect case of polio to help focal points at the field level.</p> <p>Link to presentation here</p>
<p>Partners are required to complete the CCPM survey to inform the effectiveness of the cluster work by March 6th.</p>	<p>Link of the survey here</p>
