

Sub National Coordination: 7 March 2024 – meeting conducted with Sub National Cluster Focal Points

The meeting agreed that the NC and SFP will work together to:

Streamline humanitarian response (ensure harmonized implementation of FSLC packages, avoid duplication, alert NC as soon as new challenges emerge).

Improve food security in a sustainable manner through i/ integration of food aid, emergency agriculture support and resilience building; ii/ localization; and iii/ HDP.

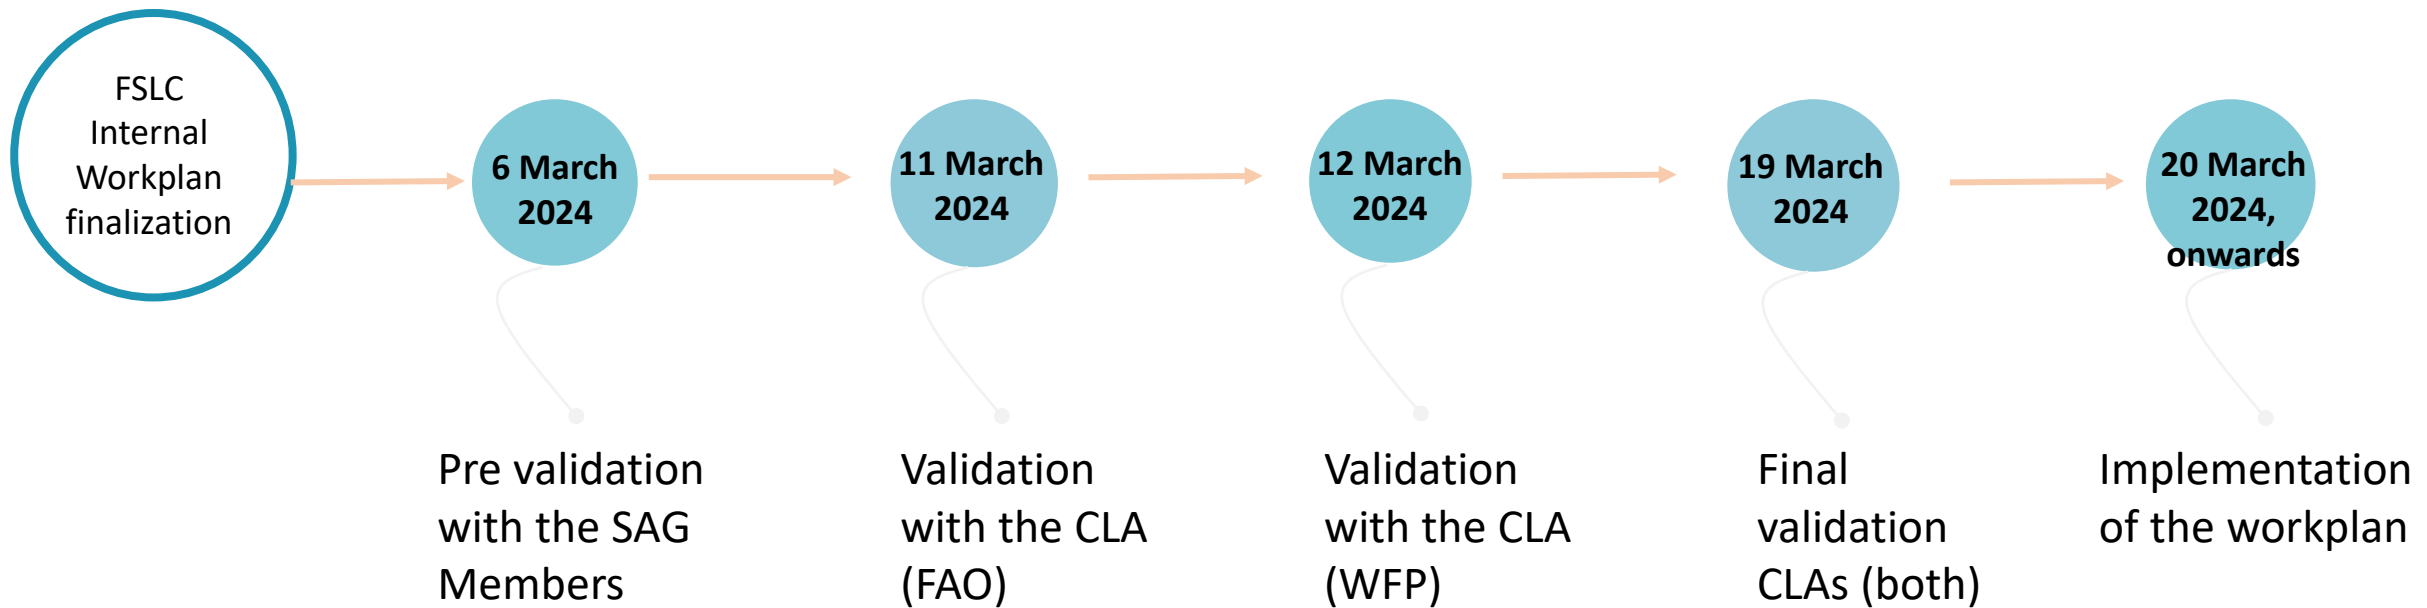

Effective coordination and advocacy through strengthened cluster governance and improved advocacy approaches

As an action point, the NC committed to **strengthen coordination** and **support** to the SFPs through regular monthly meetings, field support missions (joint assessments, monitoring) etc.
