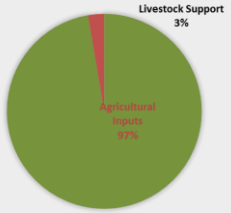
FSC partners assisted about **553, 772** beneficiaries. Cumulatively, **686, 184** beneficiaries have been assisted from the beginning of the Gu season in February 2018.

Agricultural input (seed and tools distribution), irrigation and animal treatment were the major components of the assistance in April. Partners scaled up the level of assistance; hence, the input support for the GU season shows significant improvement at **24%** achievement.

FAO have contributed the highest share of the beneficiaries assisted for April **(66%)** followed Oxfam **(33%).** Responses of ADO, NAPAD and VSF-Suisse combined accounts for the remaining **3%**.

Beneficiaries Assisted by Input type

Beneficiary Numbers


- 667,939 Assisted — Agricultural Inputs
- 18,229 Assisted — Livestock Support
