Percentage of Targeted Beneficiaries Reached per District

Strategic Objective 2 Update

Building Resilient Communities in Somalia. (NRC)

The FSC partners have continued their conditional assistance in September in a much reduced level (47% drop) compared to the previous month and plan. FAO accounted for 47% of the beneficiaries reached followed by WFP (25%) and CARE-Somalia (12%). Livelihood Assets assistance is critical and there is a continuous need to scale up to protect gains and promote livelihood resilience of the affected population.
