Strategic Objective 2 Update

Repairing streets, bridges and water pipes, Somalia (GIZ, 2017)

Conditional assistance has continued in November with the partners assisting 211,352 people (14% of the target) out of the 1,541,767 targeted by the cluster.

The overall level of assistance is steady as compared to October with FSC partners in Banadir, Mudug, Awdal, Galgaduud, Sanag, and Togedheer regions reporting slight increase in response. FAO (36%), WFP (23%) and Oxfam (13%) accounts for the significant number of beneficiaries assisted in November 2017 using conditional transfer modalities.
