

CO3. RESTORING LIVELIHOODS

During October – December, FSLC partners assisted 1,291 people. It is 78% lower than the achievement of the third quarter of 2021 when 5,918 people were assisted. 68% of all people assisted are women. Cumulatively, 18,270 beneficiaries were assisted throughout January – December 2021, that exceeds the number of total people targeted by 182%. The contributors for the fourth quarter reported in GCA locations are Ukrainian Red Cross (36%), FAO (33%), UNDP (14%), IOM (7%), DRC (6%), Caritas (2%). Other partners operating in NGCA contributed 1% providing livelihood agricultural grants and assets.
