Bangladesh Emergency Response

The recent violence in Myanmar's Rakhine State has led to widespread movement of the Rohingya population both within Myanmar and across the border into Bangladesh. The newly arrived Rohingya Refugees in Bangladesh live in extremely precarious

and deteriorating conditions, requiring an immediate and comprehensive scale-up of the relief response. Given the current volatile situation, the numbers continue to increase. 603,000 people have been displaced since August 25th 2017.
