Food Security Cluster-Iraq Reporting Workflow

KEY OPERATIONAL UPDATES ACROSS IRAQ

Sinjar Mountain

- Reported increase in military activities in 6 locations in/around Sinjar Mountain
- 450 RTER are pre-positioned (BCF/SP) for newly displaced
- 3,000 food parcels sent to area (MoMD/BCF)

Upcoming Food Security Assessment

- FSC is supporting multi-partner assessment to identify and clarify food needs in Sinjar
- Assessment methodology and enumerator training is forthcoming

Tel Afar displacement to/near Zummar

- 5,500 individuals have been reported to be displaced since April 23rd (OCHA)
- Displaced families are arriving in Shindukhah and being transferred to Sahlej with eventual transportation to HAA for screening/reception
- Reported response:
 - April 23rd: BCF provided cooked meals in Shindukhah for new arrivals (2,050 meals)
 - April 24th: NRC distributed IRR kits (380 kits)
 - April 25th: BCF providing cooked meals in Sahlej for new arrivals (1,250 meals) & NRC continuing the IRR distributions (#s TBC)
- This displacement trend is expected to continue

Sulaymaniyah

- Regular distributions of food assistance continue (in-kind, e-voucher and cash)
- Shop/market prices were stabilized in local camp(s)
- CDO conducted an assessment in Qaratapa sub-district through Asaysh coordination. There are currently 1330 IDP families living in Qaratapa, 600 of which are in the center, while the other 700 are living in the villages around the area. Qaratapa IDPs do not receive food assistance from any organization.
- List of primary JCC contacts available

Kirkuk

- Regular food assistance activities continue
- The next Kirkuk Food Security Cluster Meeting will be held on 2 May, 2017 at 10:30 at the UNAMI Conference Room in Kirkuk.

AOB

- Next FSC meeting on Mosul – Sunday April 30th
- gFSC/WHH video documentary
- Rapid Needs Assessment (East & West Mosul)
- ACTED household surveys in villages in Jalawla and Khanaqeen in Diyala to identify households eligible for our Farmer Field School. This report profiles the farmers' basic activities, demographics and inputs.
- Upcoming training on assessment methodologies is planned for May 14th in Dohuk, further trainings planned (dates & venue TBC)
