# Consultation of the Communities

Terms of reference of the Community consultation

TOR Community  
consultation

Step 1: FGDs and KIs with the communities (by FSL partners, in each county)

Vision: How would you like to see the food security of your community by 2026, how would it look like?					
	List of food security and livelihood challenges based on severity (1 being most severe)	How can these challenges be addressed?			Comments from the Key Informants Interview
		How can the community help to address each challenge mentioned (focus on livelihood building rather than food assistance)	How can the government help to address each challenge mentioned (focus on livelihood building rather than food assistance)	How can humanitarians help to address each challenge mentioned (probe on different types of livelihood interventions) (focus on livelihood building rather than food assistance)
