

Summary on Camps food shortages

As for 03 March 2016, the situation of food shortages in camps and host communities as reported by FAO state based consultants and with verification from NEMA and SEMA, is as follow:

In Adamawa six (6) IDP camps and/or host communities with 9006 persons, are currently experiencing cases of food shortages (NYSC Damare, Malkohi, Fufure, Malkohi host community, Daware host community, ST. Thereza Cathedral, Yongo, Yolde Pate and Vunoklang Communities). Also the villages victims of Koh 7th February, 2016 communal clash (Koh, Dikkijam, Tabongo, Jatan, Dyemsare, Gerang) are in need of food.

in Borno State a total of 79,795 persons in 12 camps all in Maiduguri, are currently experiencing cases of food/or condiment shortages and the ATC CAMP it's a matter of payment of the kitchens cooks monthly allowance to avoid stopping of cooking in the camp. These camps are: Dalori II, GGC Camp, Madinatu, Goni Kachallari, EYN/CAN Camp, Teacher's village camp, Gov't College camp, NYSC CAMP, Sanda Kyarimi camp, Farm Centre camp, Bakasi camp, and ATC camp.

In Yobe state three (3) camps all in Damaturu LGA, are concerned with the food shortages with a total of over 5000 IDPs for Pompommari and Ali Ibn Ngangaran and 12000 Households in Kukareta. The camps of Ali Gombe Farm and Abbari Camps are still to be assessed.

Summary detailed table (Adamawa, Borno and Yobe)

State	LGA	Camp/Location	Population	Situation
Yobe	Damaturu	Pompommari	The two camps have over 5,000 IDPs.	As for Pompommari and Ali Ibn Ngangaran Camps all are run by SEMA YOBE. In case of the food security there according to NEMA Damaturu the food situation at the Camps are not balanced ratio as the food there is mostly of cereals
Yobe	Damaturu	Ali Ibn Ngangaran		
Yobe	Damaturu	Kukareta	12,000HH	On the food security situation at the camp just last week we are on inter-sectoral Assessment and find out there is difficulty in getting food accessible to majority of the IDPs. In terms of health, there is a good functional clinic run by MSF. ACF, SEMA, UNICEF and VHWS at the site.
Yobe	Damaturu	Ali Gombe Farm.	No Information yet	No Information yet
Yobe	Damaturu	Abbari Camps	No Information yet	No Information yet

Borno	Maiduguri	DALORI II CAMP	7,247	Three kitchens have been set up to feed the entire IDPs in the camp but more food is needed. Inadequate food supply in the camp. They need more food support
Borno	Maiduguri	GGC CAMP	2,802	The population of IDPs is reducing due to the relocation that is going on at various camps. Inadequate food supply, condiments and food for babies.
Borno	Maiduguri	MADINATU CAMP	1,636	There is need to supply food, there is no provision of central cooking in the camp. They need more food support.
Borno	Maiduguri	GONI KACHALLARI CAMP	5,009	20 bags of 50kg rice are consumed per day. 10 bags of 50kg rice are cooked per meal. There is challenge of condiment.
Borno	Maiduguri	EYN/CAN SECRETARIAT CAMP CAN Centre	7,451	NEMA supplied the NFIs on 15/02/2016 and SEMA supplied rice 72bags of 50kg yesterday. The distribution is on-going.
Borno	Maiduguri	TEACHER'S VILLAGE CAMP	8,682	There is shortage of Food Stuffs and condiments for most of the days in the week as such there is need for increase of the usual quantity been supplied as well as going back to the normal feeding period of three (3) square meals a day instead of the two square meals being served now . Similarly, people with special needs have been given some special food which was provided by NEMA office. Apart from the special food, Other food and non food items provided have been distributed to the IDPs such as Milk, 3 in 1 Tea, Indomie, Millet the distribution is on-going.
Borno	Maiduguri	GOV'T COLLEGE CAMP	4,411	The IDP ate two meals for a day.
Borno	Maiduguri	GUBIO CAMP	13,208	To a certain extent, we are not having issue concerning food. Issue on condiment has been solved.
Borno	Maiduguri	NYSC CAMP	5,732	The camp has (3) central kitchen and stores for each LGA Adequate food supply and condiments for cooking. There is urgent need for food condiments.
Borno	Maiduguri	SANDA KYARIMI CAMP	2,022	There is a food supply to the camp There is urgent need for food condiments, as there is none in the camp presently.

Borno	Maiduguri	MOCOLIS CAMP	3,046	<p>1. NEMA Distributed food for people with special need on the camp.</p> <p>2. On the 17/2/16, the two chairmen of the two LGA's brought in two cows each to their people and some food items. NEMA has provided food stuff for special IDPs In the Camp. Food stuffs are being supplied regularly on the camps during the week.</p>
Borno	Maiduguri	FARM CENTRE CAMP	10,912	<p>The supply of food has been increased to double. Baby food, milk, indomie, biscuits etc.) were brought to the camp by NEMA. There is the urgent need for kitchens on camp. They need more food support.</p>
Borno	Maiduguri	BAKASI CAMP	16,295	<p>The food supply these days is not normal, and the condiment is grossly inadequate. They need more food support.</p>
Borno	Maiduguri	ATC CAMP	7,596	<p>There is urgent need to call the attention of SEMA to pay the kitchens cooks allowance to avoid stopping of cooking in the camp. Gwoza and Marte IDPs complained of food insufficiency thereby requested for additional. Cooking is still done in 3 kitchens of Marte, Gwoza, and Askira Uba respectively. Representative of the 3 kitchen draw our attention for nonpayment of their monthly allowance for the past 4 month. Hence on Tuesday 23/2/2016 if SEMA did not pay them, cooking will stop</p>
