

# Food Security Cluster harmonised tool

# Why build a harmonised tool?

Increasing Coordination

## Uncoordinated

- Multiple Assessments
- Multiple Methodology
- Multiple Reports

## Harmonized (coord.)

- Multiple assessments with common questions
- Single Methodology

## Joint (coord.)

- Single assessment form
- Single methodology
- Single report

Better CAP/WP/Flash Appeal and targeted humanitarian response

# Process of building the tool

1. Data review of partner tools and reporting
2. REACH drafted tool
3. Participatory workshop with Vice Co-ordinators in Hargeisa, July 2017
4. Further feedback from partners

# Key elements of the tool: core

Element	What?
Displacement	Area of origin, reasons for displacement (push and pull factors)
Household consumption	Food consumption habits, reasons for lack of access, source of food, coping strategies
Markets and purchasing power	Proximity to market, availability of goods, household expenditure
Food assistance	Type, timeframe, from whom
Livelihoods	Source of income, change in income source over time, livelihood coping strategies, access to land and agricultural assets, livestock quality
Livelihood assistance	Type, timeframe, from whom

# Key elements of the tool: expanded

Element	What?
WASH	Source of water for domestic use: quantity & quality, source of water for production: livestock and agricultural activities, household spending on water
Health	Common health problems, access to health and nutrition services, household spending on healthcare

# How the tool can be used

- For one-off rapid assessments
- For comparison across time and space
- As part of a broader assessment

In the next six months  
 More than six months from now

**Food security**

You will now be asked about food security conditions in your household. Please be as detailed as possible.  
*Hadda waxaa lagu waydiinayaa xaaladaha cunto ee qoyskaaga, fadlan si wacan u faah-faahi*

**\*Is your household currently able to access enough food?**  
*Qoyskaaga cunto ku filan miyuu heli karaa hadda?*

Yes  
 No  
 Don't know

On how many days did your household consume the following food groups in the past 7 days?  
*Todobaaddkii lasoo dhaafay, imisa maalmood ayaad cuntay cunooyinka soo socda?*

**\*Cereals (sorghum, rice, maize, millet, bread, cassava, potatoes, sweet potatoes and other tubers)**  
*Xubuufta (Masago, bariis, galey, masago, rooto/canjero/mufo, moxog, barado, iyo bataati dhuleed)*

**\*Pulses (beans, peas, groundnuts, cashews, lentils, green grams)**  
*Digirta (digir, loos, misir, salbuko, fuulka)*

# Next steps

- Piloting the tool
- Support to planned assessments:
  - Data collection guidance note
  - REACH Helpdesk
