

MEETING MINUTES

- LOCATION:** Zoom
- DATE:** April 14, 2022 (15:00-17:00 GMT+2)
- CHAIR:** Raquel Moreno, FSL Cluster Co-coordinator
- AGENDA:**
1. Operational overview
 2. Update on Flash Appeal
 3. Gaps and challenges (including humanitarian access)
 4. Area-based coordination
 5. Any other business (AOB)

59 (fifty-nine) participants representing 39 institutions attended the FSLC coordination meetings. The institutions included donors, NGOs and international organizations (including UN agencies and the Red Cross movement).

1. Operational overview

Overview:

- A total of 35 organisations have submitted their 5Ws to the Cluster.
- 25 regions have been reported – the highest reached figures were reported in Kharkivska oblast (1.7M approx.), followed by Lvivska oblast (1.2M approx.) and Mykolaivska oblast (523k approx.)
- A total of 22 partners provided weekly updates to the cluster of people assisted. Five new partners were also reported. Three organizations have submitted plans for MPC, emergency agricultural inputs, and community livelihoods rehabilitation support. 17 oblasts were covered in total.
- The FSL Cluster has completed five rounds of 5Ws reporting (16, 23, 30, March, and 05, April). The next reporting period is April 13–19. (Round 5). Every Thursday on COB, OCHA creates partner presence and people-assisted dashboards (static and interactive). The products are built around the 5Ws clusters.
- According to the FSL Cluster partners' presence map, Kharkivska and Donetska oblasts have the most FSLC partners (15 partners each), while Ternopilska and Khersonska oblasts have the fewest (15 partners each) (2 in each). The FSLC partners are well-represented in Ukraine's eastern, central, and northern-east regions, as well as in Lvivska oblast. Cash transfers are implemented in the oblasts of Khersonska, Mykolaivska, Ivano-Frankivska, Chernivestka, and Kharkivska.

2. Update on Flash Appeal – FSLC revised PiN, Target and Financial requirement

- There are about 10,2 M people in need (PiN).
- About 7 M people are targeted by the cluster.
- Almost US\$470 million financial requirements for covering the needs from March-August 2022.

Commented [H(1)]: Regarding the 25 regions being assisted, there was a clarification regarding this. I think one of the partners corrected this and said it was 24 regions instead. Can you check the recording?

Commented [P(2R1)]: No it is 25 regions, not oblasts. Kyiv is the separate region in Ukraine, and it is not a part of Kyivska Oblast. As well as City of Sevastopol is also separate region and not a part of Autonomous Republic of Crimea.

Commented [PV(3R1)]: No it is 25 regions, not oblasts. Kyiv is the separate region in Ukraine, and it is not a part of Kyivska Oblast. As well as City of Sevastopol is also separate region and not a part of Autonomous Republic of Crimea.

3. Gaps and challenges (including humanitarian sector)

- Discussion of the main gaps:

- R2P (Halyna):
 - Timely and reliable access inside an organization.
- PAH (Ewan):
 - Internal structure of an organization in combination with low capacity.
 - Transportation of goods and people in Ukraine and on the borders.
- Caritas Ukraine (Dmytro):
 - Accessing beneficiaries is necessary as we need to select some beneficiaries based on the possibility of delivering assistance to them. Unfortunately, we are unable to access some of the beneficiaries.
- Zaporizhzhia charitable fund "Unity for the future" (Olena):
 - No problems with accountability, as we are an experienced team.
 - Logistics problems with collecting humanitarian aid in new locations for us.
- Discussion of the major challenges:
 - ForestCom (Dmytro):
 - Access to supply.
 - Donors and fundings.
 - Help (Nelia):
 - Proposed partnership for those who are looking for a partner.

4. Area-based coordination

- Operational Logistics Hub: Rzeszow (Poland).
- Operational Hubs: primary Lviv, Vinnytsia, Dnipro, and Uzhorod, Mukachevo, Chernivtsi for IDP response.

MEETING MINUTES

- Operational Hubs in NGCA: Donetsk, Luhansk.
- Potential Hubs: Odesa.
- Government Liaison Office: Kyiv.

Partners comments:

- CO CF Implementation of ideas Ukraine (Olena)
 - Proposed to use internal network of NGOs in Luhansk oblast for the cluster purpose of needed.

5. Any other business (AOB)

- OCHA assessment registry:
 - Please, submit planned and ongoing assessments to OCHA.
- Clarification on MPC reporting:
 - Please, keep reporting cash assistance to cover food to FSLC, and we will submit the information to the Cash Working Group (CWG).
- Contact list:
 - Consent of partners contact online, so the communication will not be slowed down.
 - OCHA is planning to publish hromada level data of partners presence on ground.

Discussion:

- Help (Nelia)
 - FSL Cluster regularly send food requests. We would like to include information on Zhytomyrska oblast to our next project, but do not know if other partners already made some efforts or planning to respond in the same area.
 - Answer: There was no response on that requests. Partners, please, give us response if you can cover any of the food need request, we have sent to you, or if you took any actions on them. Thanks!
- NGO Public Space "Rozvytok" (Sergii)
 - Previously we provided support to IDPs, but currently, we observed food crisis in the city of Dobropillia, where the most of groceries are running out of food and closing.
 - Currently, our volunteers are delivering food from Lviv oblast. Are there any partners with logistics centres closer to Donetska oblast? We would like to cooperate with partners from Dnipropetrovska or Poltavska oblast if any.
- DRC (Khristina)
 - Multi-purpose cash should be also reported to the cluster 5W?
 - Answer: Report needed by the FSL Cluster and Cash Working Group as well, as they coordinate cash distribution.
 - There are no multi-purpose cash option in 5W report.
 - Answer: We will update the spreadsheet.
 - Cash for rent.
 - Answer: It should be reported to the Shelter cluster

Announcement:

- During the next FSCL coordination meeting on Monday, 18th of April, Estonian Refugee Council and the World Central Kitchen will present their activities to the partners.

MEETING MINUTES

PARTICIPANT LIST

N	Names of attendees	Institution	Position	Contact
1	Alin Luchian	ACTED	Senior Assessment Officer	alin.luchian@reach-initiative.org
2	Tetyana Kuchma	ACTED	DRR unit lead	tetyana.kuchma@impact-initiatives.org
