- **5W Response Tracker Tool support material:**

- Presentation slides
- Guidance Notes
- FSS Interactive Dashboard of partner presence based on the 5W January – December 2023

INFORMATION MANAGEMENT UPDATE

Partners Annual Plan Inputs

- FSS collected and compiled 33 partners' annual project plans for 2024 (not limited). In the event of new project funding, partners must add them to the annual plan and monthly reporting.
- 5W January report is due by COB Tuesday 20 February 2024

The Annual Plan excel template consists of:

- Guidance Note tab: link to FSS 5W response tracker guidance note - 2024.
- Annual Plan tab – Activity, location, modalities wise compiled annual plan for 2024.
- Monthly Report tab – activity report of reached figures from operational and implementing partners for each month.
- What tab: fixed objectives, activity matrix, modalities, indicators
- Where tab: list of administrative regions (Division, District, Upazila, Unions and Camps)

Three options for completing the annual and monthly report

- 1.Fill online
- 2.Use the offline attached 5W template and cut/paste the static information from the online template.
- 3.Download the online template ([link](#)), delete all other partner information and keep the information specific to your organization, then update the tabs each month with the reached beneficiary figures.

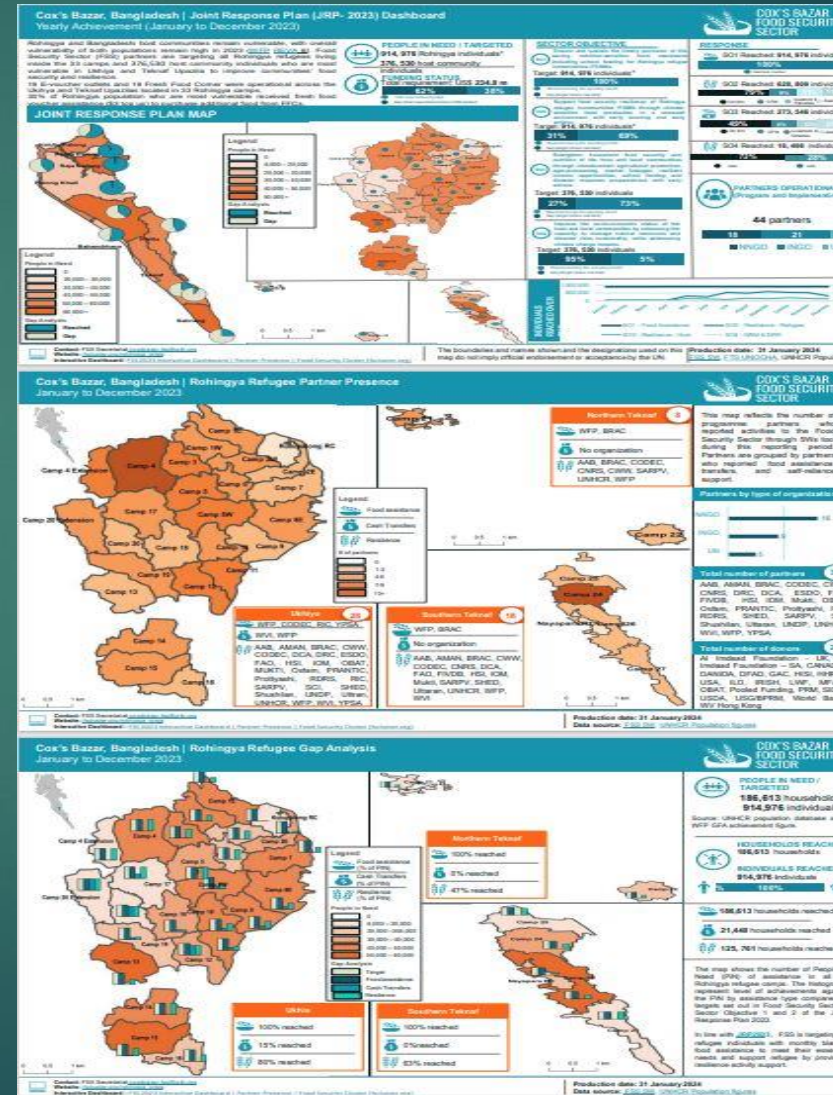

Please refer to the [2024 5W Guidance Note](#) for any technical issues you may face – if further clarifications are needed, you are most welcome to reach the FSS team.

HOMESTEAD GARDENS UPDATE

Partner meeting 05/Feb 2024

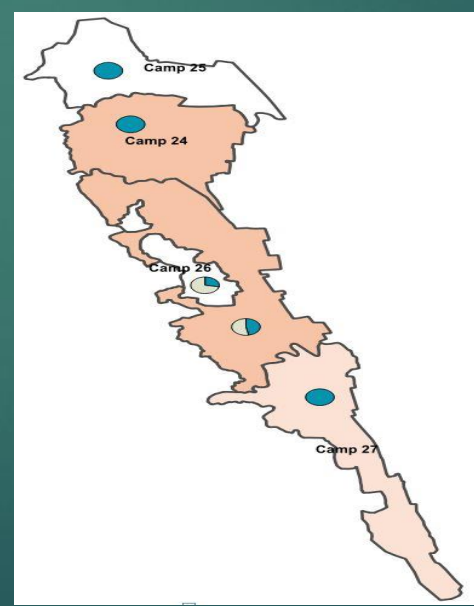

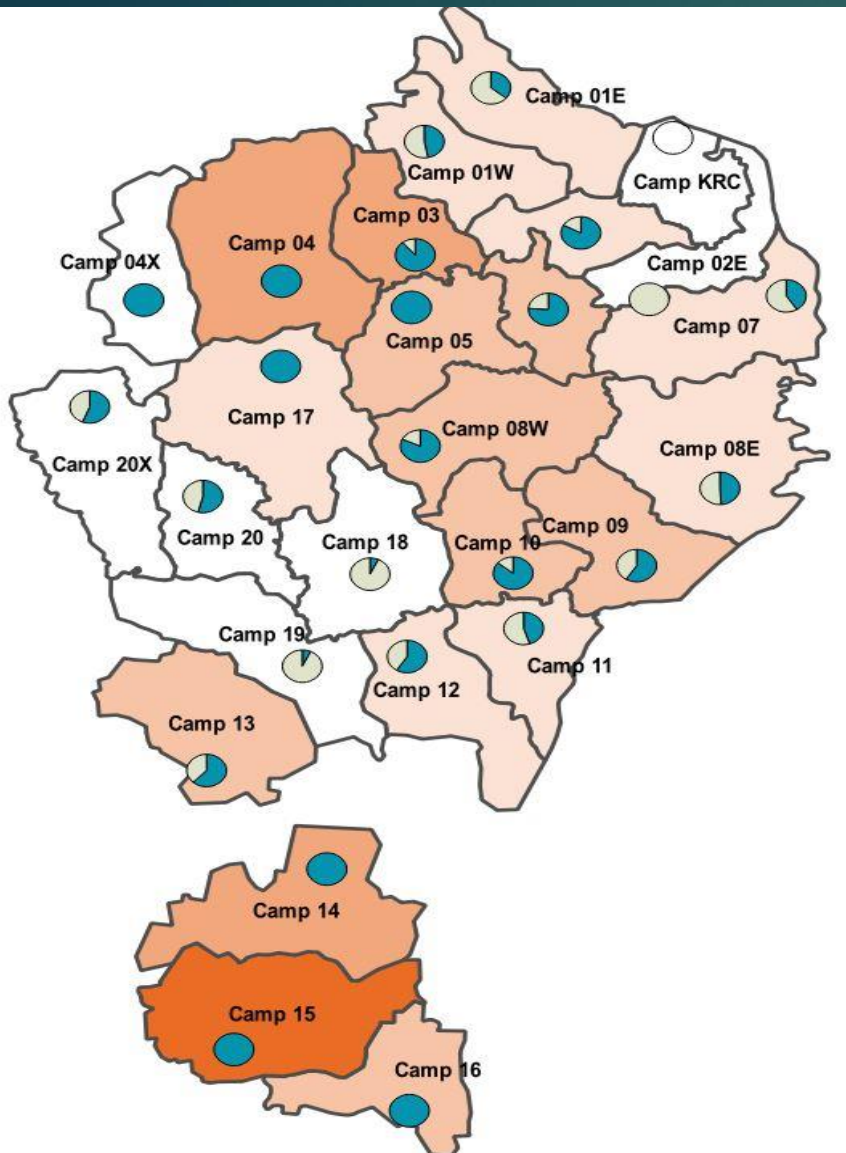

- Increase household access to high-quality, nutritious food and dietary diversity in a densely populated and stressed refugee setting.
- Build resilience in food security with complementary nutritious foods and support the health and wellbeing of refugees.
- Provides an opportunities for capacity building
- Increase local vegetable production and availability to address an anticipated annual vegetable deficit during lean season in Cox's Bazar District.
- Continuous changes of the context including food ration cuts. Agricultural resilience building interventions are increasingly necessary.
