PER LO SVILUPPO DEI POPOLI

- Introduction of overall projects.
- Project description
- Project activities and planned
- Project indicators
- Planning activities for 2024
- Challenges and recommendation
- Way forward

OVERVIEW OF The PROJECTS

WFP Relief Project in Elbur

WFP relief project was rolled in December 2023 and is scheduled to conclude in April 2024 through submitted proposal for extension. This project covers 8 villages in Elbur and aims to assist vulnerable individuals who were displaced from their homes due to military operations

Cont.....

The project is providing cash transfers to 3000 beneficiaries and in-kind assistance to 984 beneficiaries. In April, an additional 262 beneficiaries will receive assistance. All beneficiaries have already received their entitlements for the period from January to March 2024.

AICS Cash Support Project

The AICS project commenced in August 2023 and is set to end on 31st July 2024. This is an integrated project of Health, Nutrition, Protection and Food security, the Food security component targets families with children 6-59 months admitted into the programme with severe acute malnutrition (SAM) and supports family food basket while the child is under treatment for SAM, each family will get cash support for three months, children are screened and in Waxaracde in Dhusasamreb and Kaah health centre Guriel.

Cont.....

So far total of 433 families were registered and will be receiving cash assistance @\$70 per month for three months.

Definition of AICS Project

The AICS project is a large project that operates worldwide. In Somalia, it supports a primary health care project implemented by CISP in 2 health centres in Dhusmareeb and Guriel. It includes various components such as, Health, food security, nutrition and GBV.

Challenges

- Beneficiaries Movements from FPS to others

Planning for 2024

- 1 continuation and advocacy of ongoing projects
- 2 implementation of new relief project in Galkayo district that will start May 1st to December 2024

Community engagement session for Elbur

Thank you

6. FSC Partners Updates, Partners

Inter-cluster / Inter-Agency Coordination Updates FSC Partners Updates, Partners

Meetings

In Galkayo, the FSC was having only one state-level meeting; once a month.

Regional focal points / coordinators in the different regions:

- Galgadud Region focal point is based in Dhusamareb
- Mudug Region, focal point is based in Galkayo

FSC Regional Coordination Meetings: The FSC also has regional level coordination meetings.

- Participants to state-level and regional meetings should be different
- Clear feedback from all partners

7. Inter-cluster / Inter-Agency Coordination Updates

Inter-cluster / Inter-Agency Coordination Updates Advocacy Note

Needs

- Please outline specific cluster-specific needs for affected communities (e.g., food security, health, shelter, water, sanitation & hygiene, protection).

Below are figures from the Adado fact sheet based on the recent assessment.

Below are number of people displaced and need Supply of food aid and cash transfers to help families meet their basic needs.

- **820 HH who relocated from Camara to Adado.**
- **110 HHs from Bacadwane to South Galkacyo town.**
- **30 HHs from Bacadweyne to Mirjicley.**
- **100 HHs from the rural areas of Bacadwane to Wisil town.**
- **60 HHs from Bajeela town relocated to Hobyo town.**

Based on the assessment done on 1-5th February in the below villages in Hobyo and Harardere District, only 770 HH out of 10,070 HH have reliable food access through WFP assistance.

Bacadweyne, Dhaghaye, Laas gacamey, Camaara,
Sirgo, Cadale and Guroleey.

Qeycad, Baraag ciise, Xinlebi, Seego,

Inter-cluster / Inter-Agency Coordination Updates Advocacy Note

Response

- Existing humanitarian response currently underway in the affected districts.

Partner's name	Location and no. of HH	Transfer Modality	Amount
CARE international	Adado IDPs- 815HHs	CASH	110/HH
CARE international	15 villages under Hobyo districts.	CASH	70/HH
CARE international	19 villages in Galkayo districts	CASH	70/HH
DRRDO	45 Villages in Hobyo districts	Ik.1250HHs	
			Cbt 3708 HHS

- Completed Response.
- No information
- Any challenges or limitations faced by cluster members in delivering assistance.
- Information sharing gape. The response given to the displaced people after the assessments is not clearly available.
- Are these HH part of the villages in both Hobyo and Galkayo as well as Cadado?
- Any response given to the people who migrated to Mirjicley?

Gaps

- Additional resources or interventions required to address these gaps.
- Advocacy points
