*The number of people assisted for food assistance (SO1) is calculated based on the maximum number of people assisted at the LGAs level per month.
**The number of people assisted for emergency food productions interventions (SO 2) is calculated based on the cumulative number of people assisted at the LGAs level throughout 2026.
*** The number of people assisted within the Food Security Sector (FSS) is calculated considering the maximum number of people assisted across the 2 SOs at the Local Government Areas (LGAs) level throughout 2026.
**** For each month, the beneficiaries for SO1 assistance reflect the number of people reached within the reference month at the LGA level, while SO2 assistance is calculated based on the cumulative number of people assisted since January 2026. The beneficiaries reached at the State level represent the highest number of beneficiaries reached at the LGA level across both SOs.
**HNRP actors: INGO, NGO, and UN agencies implementing short- to medium-term programs (e.g. 3-24 months) through lifesaving and resilience activities. Non-HNRP actors: INGO, NGO, and UN agencies implementing long-term programs (e.g. 3-year +). Government authorities are non-HNRP actors.
