Goals	<ul style="list-style-type: none"> - Need to determine connections/barriers between agricultural and non-agricultural livelihoods. - Defining that assistance packages focus on emergency short-term assistance and is not for longer term, recovery or development-oriented projects. Therefore, must ensure the emergency livelihoods assistance can link to recovery activities. Therefore, there is a need to develop a roadmap from emergency to longer term assistance, including graduation or training. - Underscoring the determination of goals is understanding the needs and profiles of people in need. - Transitioning people from humanitarian/emergency support to livelihoods support, therefore reducing basic needs assistance. - Possible activities could include: support to existing businesses cash/in-kind support to recover lost assets / restart businesses; supporting new off-farm self-employed persons; cash for work (limited to frontline areas without employment opportunities through engagement with local authorities to identify communal activities to be accomplished) - Collaboration with other working groups, including Cash Working Group, Victim Assistance Coordination group - Defining the selection and vulnerability criteria, and how the latter in particular is defined for emergency non-ag livelihoods.
Product/s to be create	<ul style="list-style-type: none"> - Needs analysis, based first on secondary data and then if necessary primary data collection where there are gaps. This includes mapping existing primary and secondary assessment/reports. - Creating a guidance document to harmonize approaches and packages. - Cross-checking assistance provided. See what other actors are doing, including Building Blocks. - Including a referral mechanism, in coordination with the FSL Cluster, so that LTWG actors can connect people to other opportunities.
Selection of lead/s	<ul style="list-style-type: none"> - Spanish Red Cross considering the role. - DRC as an alternate. - Other members are invited to express their interest.
Workplan	<ul style="list-style-type: none"> - Set priorities for the coming year - Draft workplan annexed
Other Discussion Points	<ul style="list-style-type: none"> - Group to focus on both emergency and non-emergency non-agricultural livelihoods, and prioritising emergency technical guidance first. - Continued awareness and reference to government workplans and strategies on economic recovery, durable solutions etc.
