The administrative boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations. Final boundary between the Republic of Sudan and the Republic of South Sudan has not been determined. Final Status of Abyei area is not yet determined. Gender and age disaggregation information does not include refugees. UNHCR recently updated their projections for the expected number of refugees based on a recent verification assessment. This projected number of refugees for 2022 is 350k, an increase from the numbers reflected in the 2022 HNO.
