Objective 1: Improved Access to Food and Safety Nets

SEPTEMBER 2018

Number of Targeted Beneficiaries Assisted by Region

Target 2,860,532

FSC partners assisted 2,074,310 out of 2,860,532 targeted (73%). Of the total number of beneficiaries reached for this objective, 76% were supported through cash/voucher transfer while 24% received in-kind support.

WFP response constitutes 60% of the response: with SCI (13%), DRC (6%), FAO (5%) and the combined responses of NRC, ACTED, CWW and thirteen (13) other partners contributing the remaining 16%.

The September achievements is 8% higher compared to August when 65% of the targeted beneficiaries were reached. Notably, less than 25% of the targeted beneficiaries were assisted in Lower Shabelle, Middle Juba and Woqooyi Galbeed; this is related both to insecurity as well as availability of resources.
