The FSC objective are: **Phase 1:** To save lives through appropriate Food Security interventions and immediate restoration of livelihoods: livelihood protection saves lives. 100% target of Food Assistance + 40% immediate Livelihood assistance. **Phase 2:** To recover from the stress caused by the flood on agriculture, livestock, access to food (physical & economic) and livelihood opportunities, which complement food insecurity and build resilience against future shocks. 60% of the livelihood activity + community activity.

**FOOD SECURITY CLUSTER UPDATES**

01 **4 FSC coordination meetings were organised since mid July.** The online 4W matrix was regularly updated by the FSC members. The FSC has been actively involved in the JNA and HRP process. Coordinate the Livelihood response.

02 **28 districts affected. Nine (9) districts are prioritized in the HRP. FSC prioritized 6 Districts in the HRP. Gaibandha, Kurigram, Jamalpur, Sunamgonj, Sirajganj and Bandarban are the targeted districts for the FSC.**

03 **The FSC 3 fold response. 1) Food Assistance for 29,395 HH. 2) Livelihood Assistance for 26,621 HH. 3) Community Assistance for 924 community. The FSC partners responded in 15 districts with immediate food assistance.**
