Agenda points	Action points	Follow up	Priority
Global Advocacy for food crisis	gFSC is looking forward to increase support to FSC country teams on advocacy (e.g. Whole of Syria); there is also a high and urgent need of additional initiatives at global level due to the impact on food security of COVID19 but also locust outbreaks, floods, etc. (see also Lowcock message). Suggestions from SAG are welcome on this issues; some good example was given from the NGO side e.g. Oxfam launched a food crisis campaign.	SAG members in favour of opening an "ad hoc" WG on advocacy (can take over from the C19 Result on Advocacy); Additional inputs/suggestions to be sent to gFSC team	high
GHRP	GHRP process and dashboards were presented to the SAG - some discussions around the FTS which is not entirely reliable, however is the official instrument for monitoring the financial disbursement; update on GHRP revision	gFSC will send it again to SAG members the GHRP documents and dashboard: inputs will be welcome	high
PRWG	Survey results were presented: PRWG to be merged into another WG as there is not interest on chairing it and other WGs become more relevant - SAG to decide if that should be merged under the PQWG (as per Survey suggestion) or Agriculture WG, or mainstreamed among all WGs	Final Decision to be taken at the next meeting (August)	Medium
AoB - New applications	LEGS and MUKTI have applied, both orgs were screened and presented to the SAG member for endorsement	Both orgs will be part of the gFSC - welcome package and follow up mail will be sent by gFSC team	Medium
AoB - GNAFC	High level meeting of GNAFC has been postponed to September - collaboration between SAG and GNAFC to be followed up	gFSC team to follow up with GNAFC on their participation to SAG's meetings; Riccardo (gFSC dedicated staff to GNAFC) can also update the SAG on GNAFC	High
