South Sudan Food Security Cluster Dashboard

Food Assistance (CO1)

SOUTH SUDAN FOOD SECURITY & LIVELIHOODS CLUSTER

As of January 2020

COUNTRY RESPONSE UPDATE

In January 2020, FSL cluster partners assisted over 1,2 million beneficiaries with emergency food assistance. 53% of the beneficiaries received in-kind food assistance while 18% received Cash and Vouchers support and 29% received hybrid intervention.

Since January, WFP and FSL partners have reached over 2 million unique beneficiaries with emergency food assistance. On average, 1,2 million beneficiaries are receiving support month on month from a total of 24 different partners.

In the January 2020 IPC update, an estimated 5.29 million people (45% of the population) are likely to face Crisis (Phase 3) acute food insecurity or worse, out of which an estimated 1.11 million people are facing Emergency (Phase 4) acute food insecurity and 40,000 are in Catastrophe (Phase 5).
