COUNTRY RESPONSE UPDATE

FSL cluster partners reported they have provided food assistance to over 2 million beneficiaries in May 2020. Among them, 1.9 million persons received in-kind food assistance while the remaining 91,000 received cash support and protection rations. Concurrently, a total of 159,000 were supported with agriculture and livelihoods assistance. This include 61,000 beneficiaries registered for crop and livestock inputs, 41,000 beneficiaries supported with extension and advisory services to manage crop pests and livestock diseases, 49,000 assisted with critical assets rehabilitation and the remaining 5,000 received targeted soil and water conservation equipment & technical assistance.

The FSL Cluster starts a new collaboration with the nutrition cluster on nutrition monitoring as well as on harvest monitoring with agriculture partners. Both collaborations will be reflected in the cluster information management products very soon.
