Food assistance

• See July  Food Basket and  Key Messages
  • Households will be mobilized to purchase food items once a month to minimize movement during lockdown
  • Each individual will receive BDT 1015 (adjusted with change in market prices) to purchase 24 food items in outlets and additional items available in fresh food corners
• New e-voucher outlet has opened in Camp 8W – 22 total outlets now operational, 16 fresh food corners operational with 13 selling live chicken and fish

• Fresh food corner updates from WFP
The Fresh Food Corners (FFCs) and the localization of the fresh food assistance in the camps

Objectives
❖ Improve **dietary diversity and direct access to fresh food and protein-rich items** to all Rohingya beneficiaries, and increase access to the most vulnerable refugee households (additional targeted assistance of 3USD pp).
❖ Improve **market linkages and the localization** of the fresh food assistance in the camps, by linking the WFP-contracted retailers with host community local producers.

June-July Updates
❖ **16** FFCs (out of 21 e-voucher outlets), and 2 outlets with increase fresh food varieties (registered camps)
❖ **13** FFCs with live fish and chicken
❖ **161,353** individuals received additional fresh food vouchers
❖ **443,580** individuals purchased from the FFCs (not receiving fresh food vouchers)
❖ Total: **604,933** individuals purchased fresh food items.

Next steps
❖ In August, FFC will scale up in **3** additional outlets (Camp 17, 8W and KMS), reaching 100% of camps.
❖ Additional fresh food vouchers will be provided to all **30% most vulnerable HHs** from all camps (expect in the registered camps)
❖ **Four market linkages partners** (Relief International, ICCO, WVI and BRAC) will scale up the linkages between retailers and aggregation centres (pilot with WFP and FAO ongoing).
❖ Plans to scale up to include **other development organizations**. Please get in touch at **nour.salama@wfp.org** with information.
