## **INTEGRATED APPROACH TO MAINSTREAMING PROTECTION, SGBV AND GENDER IN 2022**

## Mainstreaming Key Areas and leads

---

- **Gender and SGBV – Simona and Pamela**
- **Protection – Collette**
- **Conflict Sensitivity – Fadel**
- **Environment – Nour**

## Gender and SGBV Commitments in LCRP sector's strategy 2022

---

- Analysis of vulnerabilities and prioritization of adapted responses
- Female headed households
- Women's employment in the agricultural sector
- SGBV risk mitigation

## AWP 2022 PRIORITIES – Gender and SGBV

---

- Cooperate with SGBV Task Force on risk mitigation
- Gender in Humanitarian action training is conducted in 2022 at national and regional level
- Gender analysis two pager is drafted with support from Interagency Gender Specialist
- Food security assessments include gender specific questions and gender analysis
- Nomination of gender and SGBV Focal point of the sector
- Feedback mechanisms involve at least 50% of women and girls
- Analyse disaggregated sector results on a quarterly basis and adapt activities to address gender inequalities
- Organise a meeting to present results of the mapping of women's organisations and how to engage them for assessments and implementation

## GENDER AND SGBV SECTOR FOCAL POINT

---

- Support the Sector Coordinator to mainstream gender and SGBV risk mitigation into the Sector Response Plans and workplans, project proposals, etc
- Maintain updated gender analysis and sex and age disaggregation and support the implementation of the Gender and Age Marker (GAM)
- Support the sector to identify SGBV risks associated to specific programs/activities and mitigation measures
- Be the focal point for gender and SGBV capacity building initiative
- Profile: Gender experience but not an expert
- Technical support by Interagency Gender Specialist and SGBV Task Force Coordinator
- Coordinators have final accountability for mainstreaming – FP supports, advocates, prioritises, advices

## INTERAGENCY GENDER IN HUMANITARIAN ACTION TRAINING

---

- The Inter-Agency Gender in Humanitarian Action Training on 23 June
- The training will include maximum 30 participants from the FSA sector
- The training's objective is to support gender mainstreaming in the Lebanon's humanitarian and stabilization response
- The training will cover the following modules:
  - ✓ What is gender and why it is important?
  - ✓ Needs analysis and Assessment
  - ✓ Strategic Planning
  - ✓ Implementation and Monitoring
- Gender trainings are also being organised at area level for field colleagues
- Modular online trainings and online learning sessions

## AWP 2022 PRIORITIES - PROTECTION

---

### Background

- **2020 protection risk analysis** conducted, actions prioritized by FSA CG
- FSA WG members report and use the Inter-Agency Referral Tools and developed a guidance for partners on referrals and complaints in 2020

### FSA protection mainstreaming commitments in 2022

- Work with CPWG to **address child labor in agriculture** through integrated programs, trainings & awareness sessions
- Good practices for inclusive programming for **persons with disabilities** to be promoted
- Strengthen **complaint & feedback mechanisms** and **referrals** for assistance
- Improve **identification & reporting on protection risks** & develop **mitigation measures**

## Protection Mainstreaming

---

### **Inter-Agency Referral Tools**

- Service Mapping
- Referral Monitoring Platform
- Minimum Standards on Referrals & Referral Form
- Referral training materials & orientation sessions for partners (May)

### **Protection Mainstreaming Community of Practice**

- Pool of protection mainstreaming focal points across agencies
- To share best practice/lessons learnt, organize learning sessions and technical trainings, peer-to-peer support group

## FOOD INSECURITY AND WOMEN AND GIRLS

---

- Disproportionate impact on women and girls
- Access to food is gender-dependent
- Lack of access to food in quantity and quality has serious consequences on sexual and reproductive health
- Range of gendered impacts, including GBV

# Food Insecurity & GBV

Lack of food

Search for Food

Access to Food Aid

## Lack of Food

## Search for Food

## Access to Food Aid

**Conditions/  
Drivers**

Household stressors  
'Breadwinner' role  
Women's household role  
Mental health & cognitive impact

Less time for household responsibilities  
Walking further to find food  
Male out-migration  
Livelihoods changes

Distribution risks  
Travel risks

**Incident Types**

IPV & controlling behavior  
DV  
Child Marriage

IPV  
Physical and sexual violence in food search  
SEA to access food, money, goods

PV, SV, harassment at distribution & in transit  
SEA by distribution actors  
SEA by others – e.g. transport

- 
- **Develop joint analysis on the impact of the food crisis on women and girls**
  - **Implement mitigation actions**
