What

Select from the drop down	Select from the drop down	Indicate the total number of kits			Please provide a detailed explanation of the activity e.g provided farmers with Wad Ahmed soghurm	Select from the drop down	Indicate the total MT in case of in-kind food assistance or number of animals incase of vaccination/treatment
*** HRP Cluster Objective**	*** HRP Activity**	**# of Crop Kits**	**# Vegetable Kits**	**# of Fishing Kits**	**Activity Description (free text)**	**Activity status**	**Quantity (MT distributed, # of livestock treated/vaccinated)**
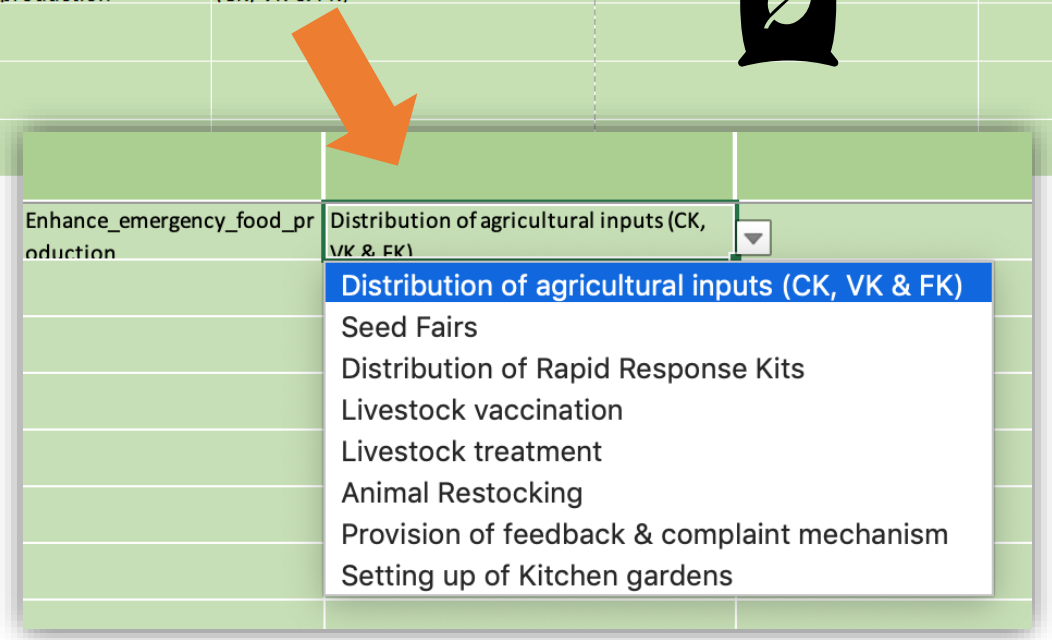
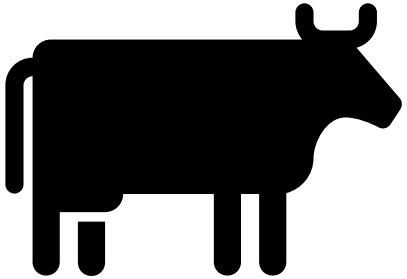
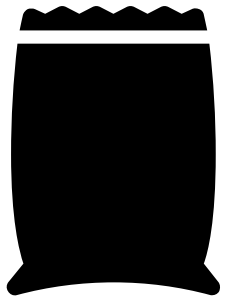
Enhance_emergency_food_production	Distribution of agricultural inputs (CK, VK & FK)						



For *"Distribution of agricultural inputs (CK, VK, & FK)* please indicate the **total number of each type of kits**

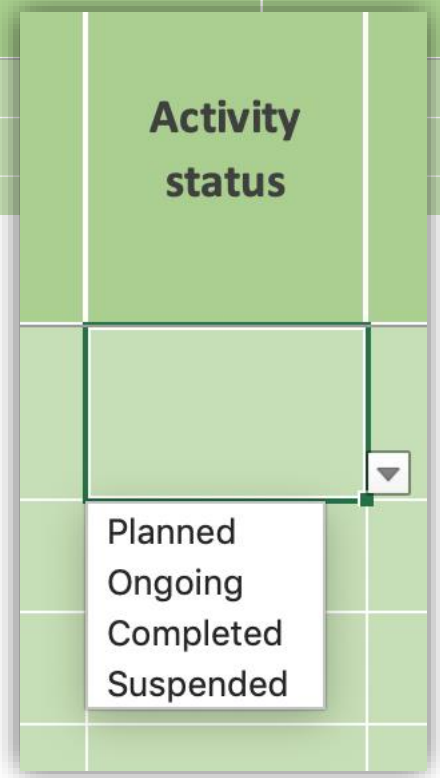
What							
Select from the drop down	Select from the drop down	Indicate the total number of kits			Please provide a detailed explanation of the activity e.g provided farmers with Wad Ahmed soghurm	Select from the drop down	Indicate the total MT in case of in-kind food assistance or number of animals incase of vaccination/treatment
*** HRP Cluster Objective**	*** HRP Activity**	**# of Crop Kits**	**# Vegetable Kits**	**# of Fishing Kits**	**Activity Description (free text)**	**Activity status**	**Quantity (MT distributed, # of livestock treated/vaccinated)**





For **IN-KIND FOOD DISTRIBUTIONS** or **LIVESTOCK VACCINATION/ TREATMENT** use this column to give details on total MT distributed or animals assisted

What							
Select from the drop down	Select from the drop down	Indicate the total number of kits			Please provide a detailed explanation of the activity e.g provided farmers with Wad Ahmed soghurm	Select from the drop down	Indicate the total MT in case of in-kind food assistance or number of animals incase of vaccination/treatment
* HRP Cluster Objective	* HRP Activity	# of Crop Kits	# Vegetable Kits	# of Fishing Kits	Activity Description (free text)	Activity status	Quantity (MT distributed, # of livestock treated/vaccinated)



Please state whether the activity is **PLANNED**, **ONGOING**, **COMPLETED** or **SUSPENDED**

! Remember, 5Ws reporting collects data on ACTIVITIES not PROJECTS, hence if until now you registered your beneficiaries, but did not carry out distributions yet, then the activity is *Planned*, NOT *Ongoing*

For Whom

Select from the drop down	Number of male beneficiaries below 18	Number of female beneficiaries below 18	Number of male beneficiaries above 18	Number of female beneficiaries above 18	Number of male beneficiaries above 60	Number of female beneficiaries above 60	Total number of HH reached (if activity reported in HH)	Total number of individuals (AUTOMATIC sum of previous columns)	
Beneficiaries Type	**#Child|Male**	**#Child|Female**	**#Adult|Male**	**#Adult|Female**	**#Elderly|Male**	**#Elderly|Female**	**No. of Total HH Reached**	***No. of Total Beneficiaries Reached**	**% of people with disability**
								 - - -	

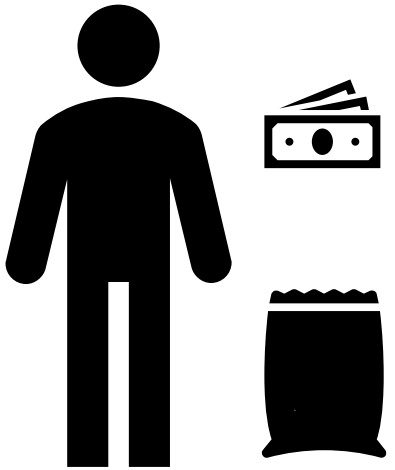
Please provide disaggregated numbers for your beneficiaries

FOR ACTIVITES LASTING **BEYOND THE REPORTING MONTH,**
IN SECTION **“FOR WHOM”**
PLEASE PROVIDE THE **NUMBERS FOR GIVEN REPORTING MONTH**

For Whom									
Select from the drop down	Number of male beneficiaries below 18	Number of female beneficiaries below 18	Number of male beneficiaries above 18	Number of female beneficiaries above 18	Number of male beneficiaries above 60	Number of female beneficiaries above 60	Total number of HH reached (if activity reported in HH)	Total number of individuals (AUTOMATIC sum of previous columns)	
Beneficiaries Type	**#Child|Male**	**#Child|Female**	**#Adult|Male**	**#Adult|Female**	**#Elderly|Male**	**#Elderly|Female**	**No. of Total HH Reached**	***No. of Total Beneficiaries Reached**	**% of people with disability**
								-	

CO1: PROVIDE FOOD ASSISTANCE

provide number of beneficiaries that received the assistance



The sum will be calculated automatically based on individuals' columns

For Whom									
Select from the drop down	Number of male beneficiaries below 18	Number of female beneficiaries below 18	Number of male beneficiaries above 18	Number of female beneficiaries above 18	Number of male beneficiaries above 60	Number of female beneficiaries above 60	Total number of HH reached (if activity reported in HH)	Total number of individuals (AUTOMATIC sum of previous columns)	
Beneficiaries Type	**#Child|Male**	**#Child|Female**	**#Adult|Male**	**#Adult|Female**	**#Elderly|Male**	**#Elderly|Female**	**No. of Total HH Reached**	***No. of Total Beneficiaries Reached**	**% of people with disability**
								-	

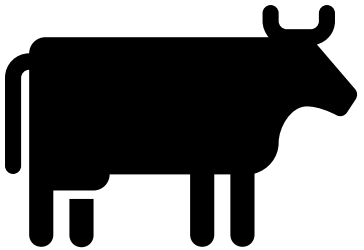
CO2: ENHANCE EMERGENCY FOOD PRODUCTION

- KITS: provide number of households that received the assistance

				For Whom					
Select from the drop down	Number of male beneficiaries below 18	Number of female beneficiaries below 18	Number of male beneficiaries above 18	Number of female beneficiaries above 18	Number of male beneficiaries above 60	Number of female beneficiaries above 60	Total number of HH reached (if activity reported in HH)	Total number of individuals (AUTOMATIC sum of previous columns)	
Beneficiaries Type	**#Child|Male**	**#Child|Female**	**#Adult|Male**	**#Adult|Female**	**#Elderly|Male**	**#Elderly|Female**	**No. of Total HH Reached**	***No. of Total Beneficiaries Reached**	**% of people with disability**
								-	

CO2: ENHANCE EMERGENCY FOOD PRODUCTION

- LIVESTOCK TREATMENT/ VACCINATION: leave blank and provide numbers in last column of *"what"*



For Whom									
Select from the drop down	Number of male beneficiaries below 18	Number of female beneficiaries below 18	Number of male beneficiaries above 18	Number of female beneficiaries above 18	Number of male beneficiaries above 60	Number of female beneficiaries above 60	Total number of HH reached (if activity reported in HH)	Total number of individuals (AUTOMATIC sum of previous columns)
