

**LOCATION:** OCHA Conference Room

**DATE:** 17<sup>th</sup> July 2014

**CHAIR:** Mary Karanja, Oxfam

**AGENDA:**

- Follow up action points from last meeting
- Partner updates
- Classification of urban livelihoods - introduction
- AOB

**Action Points: Partner updates**

- Partners were informed of the EFSL coordination meeting for partners working in the UN house to try and standardise programming and avoid duplication especially in cash based interventions like income generating activities.
- UNDP reported that they were willing to provide support to the working group. FSL cluster and CULW group to follow up with Fredrick Mugisha on this

**Action Points : Classification of urban livelihoods**

At global level, the Food Security Cluster is starting a new project on urban livelihoods, specifically on how to do assessments. They would like to know from the field how urban livelihoods are classified, following the experience here in South Sudan. This exercise was introduced to the members of the WG and it was agreed that partners would think about this (list of urban livelihoods already identified in South Sudan) and discuss it in the next WG meeting.

**Action Points : AOB**

**Way forward with the mandate of the Cash and Urban livelihoods working group**

- WG to agree on TOR for the Cash and Urban livelihoods working group including targets and deliverables
- FSL cluster to share draft TORs from other working groups as an example

**Agenda for next meeting on the 31<sup>st</sup> of July**

- Draft TOR for the working group
- Discuss urban livelihoods
