

## Annual Training Calendar - 2022

**TOT Training Module to train Agriculture Technical Working Group (ATWG) Partners**

| Training Topics   | By When          |                  |                  |                  |                  |                  |                 | Resource Person & Contact  |
|---|------------------|------------------|------------------|------------------|------------------|------------------|-----------------|--|
|   | June             | July             | Aug.             | Sept.            | Oct.             | Nov.             | Dec.            |  |
| <b>Community-based seed Production &amp; Supply</b><br>a. Strengthening producers - individuals and groups<br>b. Seed quality assurances<br>c. Seed processing – cleaning, treatment, packaging<br>d. Marketing and market linkages     | 14 <sup>th</sup> |                  |                  |                  |                  |                  |                 | Maurice Mogga – FAO<br><a href="mailto:Maurice.Nyombe@fao.org">Maurice.Nyombe@fao.org</a><br>+211 924547171  |
| <b>Post-Harvest Handlings</b><br>a. Harvesting<br>b. Drying<br>c. Storage   | 30 <sup>th</sup> |                  |                  |                  |                  |                  |                 | Aliga Moses – OPEN<br><a href="mailto:lisokaliga@gmail.com">lisokaliga@gmail.com</a><br>+211 927718893       |
| <b>Crop Value Addition and Marketing</b><br>a. Enterprise identification<br>b. Equipment and machinery<br>c. Management<br>d. Marketing   |                  | 7 <sup>th</sup>  |                  |                  |                  |                  |                 | Tayo Alabi – EU<br><a href="mailto:T.ALABI@aesagroup.eu">T.ALABI@aesagroup.eu</a><br>+211 925 568 086        |
| <b>Agronomy and Crop Production</b><br>a. Land preparation<br>b. Optimum population<br>c. Timely planting<br>d. Appropriate intercropping & weed management   |                  | 28 <sup>th</sup> |                  |                  |                  |                  |                 | Aliga Moses – OPEN<br><a href="mailto:lisokaliga@gmail.com">lisokaliga@gmail.com</a><br>+211 927718893       |
| <b>Pest Management and Control</b><br>a. Pest surveillance<br>b. Control options<br>c. Application of pesticides (chemicals) and residual effects<br>d. Integrated Pest Management  |                  |                  | 4 <sup>th</sup>  |                  |                  |                  |                 | Morris Tabiano – FAO<br><a href="mailto:Morris.Tabiano@fao.org">Morris.Tabiano@fao.org</a><br>+211 925800300 |
| <b>Agricultural Cooperatives or Association</b><br>a. Legal framework<br>b. Membership<br>c. Management   |                  |                  | 25 <sup>th</sup> |                  |                  |                  |                 | Daniel Musa – IRC<br><a href="mailto:Daniel.Musa@rescue.org">Daniel.Musa@rescue.org</a><br>+211 920540003    |
| <b>Seed System Security Assessment</b><br>a. Seed System, Seed & Food Security concepts<br>b. Tools for assessing seed system security.<br>c. Data collection, management and analysis<br>d. Reporting                                  |                  |                  |                  | 9 <sup>th</sup>  |                  |                  |                 | Joseph Okidi – FAO<br><a href="mailto:Joseph.Okidi@fao.org">Joseph.Okidi@fao.org</a><br>+211 921751621       |
| <b>Extension Approaches &amp; Services</b><br>a. Extension skills and establishment of demonstrations<br>b. Farmer Field School (FFA)<br>c. Conducting field days and agricultural shows<br>d. Use of Mass Media (Print and electronic) |                  |                  |                  | 30 <sup>th</sup> |                  |                  |                 | Tayo Alabi – EU<br><a href="mailto:T.ALABI@aesagroup.eu">T.ALABI@aesagroup.eu</a><br>+211 925 568 086        |
| <b>Tree Planting and Agro-Forestry</b><br>a. Tree Nursery establishment and management<br>b. Orchard<br>c. Woodlot<br>d. Agro-forestry  |                  |                  |                  |                  | 7 <sup>th</sup>  |                  |                 | Wani James – FAO<br><a href="mailto:James.Wani@fao.org">James.Wani@fao.org</a> +211 926100365                |
| <b>Soil and Water Management</b><br>a. Dykes for control of flood<br>b. Irrigation<br>c. Soil fertility management<br>d. Conservation Agriculture (CA)  |                  |                  |                  |                  | 28 <sup>th</sup> |                  |                 | Aliga Moses – OPEN<br><a href="mailto:lisokaliga@gmail.com">lisokaliga@gmail.com</a><br>+211 927718893       |
| <b>Reporting and Documentation</b><br>a. Livelihood kits distribution – SOP and reporting<br>b. Print, photography and videography<br>c. Case studies   |                  |                  |                  |                  |                  | 4 <sup>th</sup>  |                 | Daniel Kimani – FAO<br><a href="mailto:Daniel.Kihiu@fao.org">Daniel.Kihiu@fao.org</a><br>+211 922001733      |
| <b>Technical Specifications for Agricultural Inputs</b><br>a. Seed procurement<br>b. Tool and equipment<br>c. Agricultural chemicals (pesticides, herbicides etc.)<br>d. Bio pesticides   |                  |                  |                  |                  |                  | 25 <sup>th</sup> |                 | Joseph Okidi/ – FAO<br><a href="mailto:Joseph.Okidi@fao.org">Joseph.Okidi@fao.org</a><br>+211 921751621      |
| <b>Agriculture Infrastructure Tools &amp; Machinery</b><br>a. Animal traction<br>b. Power tillers<br>c. Local tool production<br>d. Mechanized hire services  |                  |                  |                  |                  |                  |                  | 8 <sup>th</sup> | Joseph Okidi – FAO<br><a href="mailto:Joseph.Okidi@fao.org">Joseph.Okidi@fao.org</a><br>+211 921751621       |
