As of May 2020, 29 partners collectively assisted 175,015 people which represents about 93% increase in total achievement as compared to April which is mainly attributed to the resumption of WFP activities, improve partner reporting capacity and continuous progress of several project implementation. Most of the beneficiaries in May were in the North-West region with about 77% while only 11% of the total beneficiaries received Agriculture & Livelihoods related support where FAO has so far distributed about 46.5 tons of feed and 8.1 tons of fertilizer to its poultry and home gardening beneficiaries respectively. As source of daily livelihoods continue to remain a challenge to the affected population, an estimated 5,000 people in both NWSW regions have so far been supported with grants/loans to start small scale businesses as income generating while some have also received skills acquisition trainings.
