September 2021

As of September, 25 partners collectively assisted 149,725 people with emergency food, agriculture, and Takum livelihoods humanitarian assistance, this represents a 48 percent downward trend as compared with the achievement in August 2021. Out of the total beneficiaries, 30,000 people received assistance through cash and voucher modalities. The imposed lockdown across the NWSW regions in September left about 170,000 of our usual monthly beneficiaries (mainly in the NW region) without receiving any form of assistance as roads, markets and other commercial activities were closed. WFP SW assisted 55,000 people of its 80,000-Partners reported beneficiary caseload through double rations in August. As part of the cluster's capacity building strategy, 2 National NGO staff have been selected to attend the Cadre Harmonise workshop scheduled to hold from 18th-24th October 2021 in Mbankomo, the results will guide our planning for the upcoming HNO/NRP 2022 Ogoja Donga-Mantung Menchum PEOPLE ASSISTED PEOPLE TARGETED FUNDING STATUS - USD \$**61**m 406,284 148,165 NORTH WEST Requirements Boyo People assisted 8% HRP 2021 Target for in NWSW Funded NWSW Bui \$4.8m **NIGERIA** 37% GAP (Response status) Resourced Source: FTS SO1 - FOOD ASSISTANCE Momo Mezam [A4] Ngo-Ketunjia Ikom 89,684 RESPONSE Manyu 43.344 0 24.176 People assisted in 67,520 September 2021 with s River People who received in-People who received IDPs Non-IDPs both Food items and kind food distribution. food items through beneficiaries. beneficiaries.
