3. FSC to share the 2021 Mid-Year dashboard – **DONE**
4. FSC to share meeting presentation - **DONE**

Commemorating the World Mental Health Day – UNFPA

CLUSTER UPDATES

(IM, Dynamic Dashboard Overview, HNO/HRP 2022 Update, FSC Gaps & Priorities, Labor Market Survey)

IM update – September Dashboard Overview

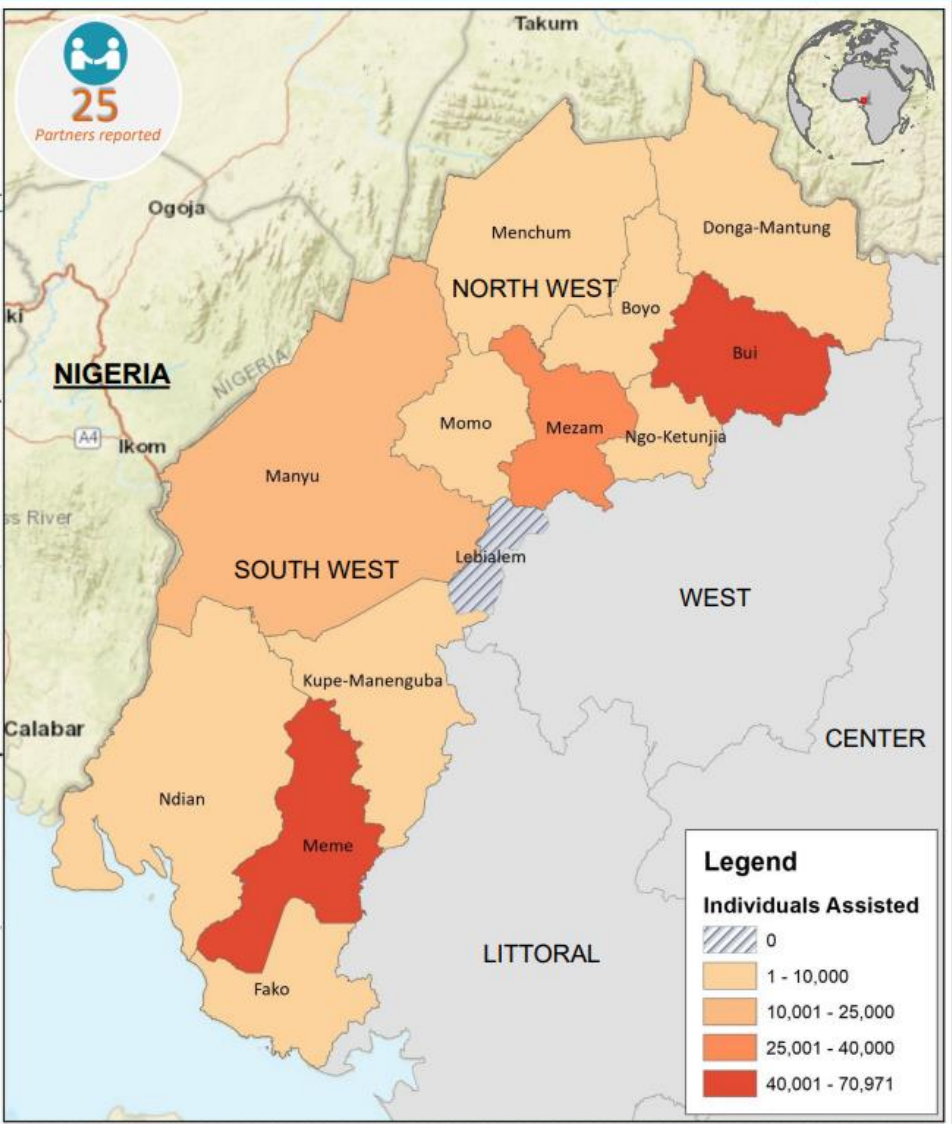

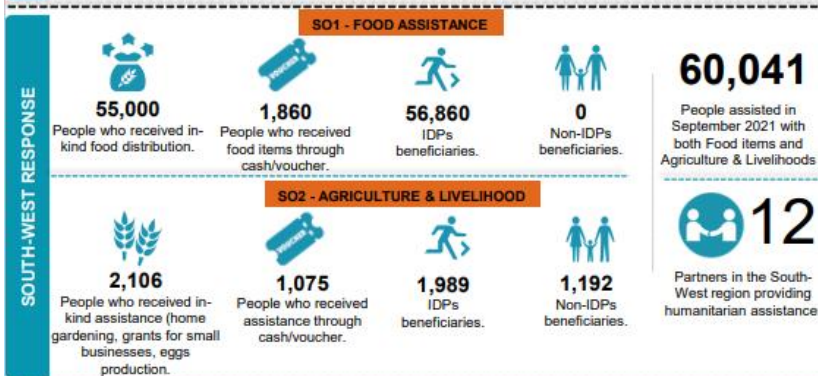

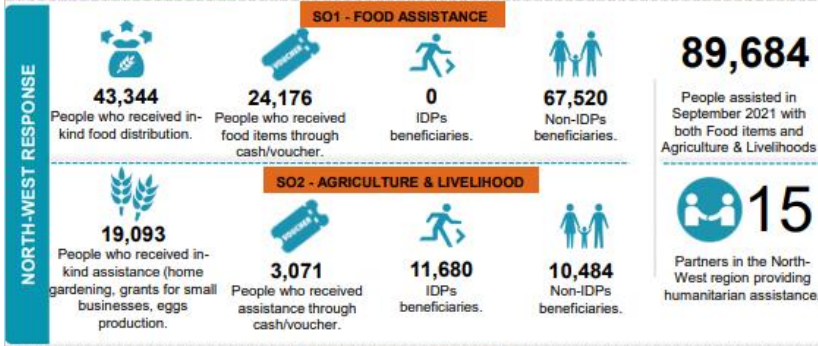

North West/South West REGIONS OF CAMEROON FOOD SECURITY CLUSTER

FOOD SECURITY CLUSTER DASHBOARD

North West/South West - Cameroon

September 2021

As of September, 25 partners collectively assisted 149,725 people with emergency food, agriculture, and livelihoods humanitarian assistance, this represents a 48 percent downward trend as compared with the achievement in August 2021. Out of the total beneficiaries, 30,000 people received assistance through cash and voucher modalities. The imposed lockdown across the NWSW regions in September left about 170,000 of our usual monthly beneficiaries (mainly in the NW region) without receiving any form of assistance as roads, markets and other commercial activities were closed. WFP SW assisted 55,000 people of its 80,000-beneficiary caseload through double rations in August. As part of the cluster's capacity building strategy, 2 National NGO staff have been selected to attend the Cadre Harmonise workshop scheduled to hold from 18th-24th October 2021 in Mbankomo, the results will guide our planning for the upcoming HNO/NRP 2022.

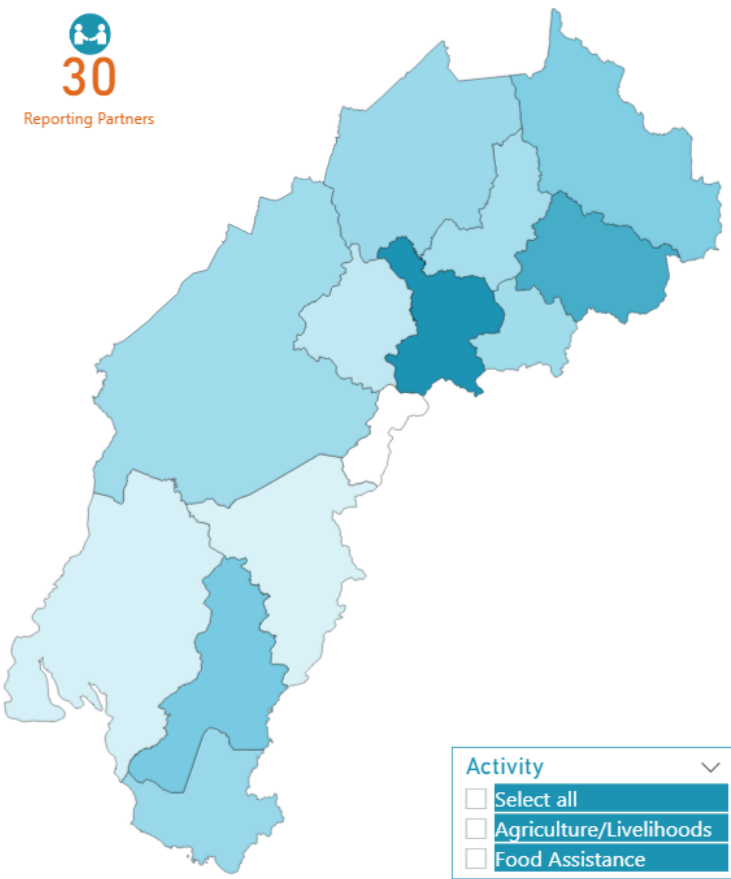

IM update – Dynamic Dashboard Overview

Activity: Select all, Agriculture/Livelihoods, Food Assistance

HPC 2022 - TIMELINE

FSC Gaps & Priorities...

Due to the limited funding status of the operations in the NWSW, only **406,000 people** were targeted in HRP 2021 out of the **960,000 people in need**. This by default means a gap of **42%**.

Even within the targeted population, the FSC currently records a **gap of 25-30%** on a monthly basis and **63% gap in September** due to the long lockdown.

Top 5 Gaps in NWSW (response-based)

No	Region	Division	PIN HRP2021	GAP
1	South-West	Lebialem	36,777	100%
2	South-West	Ndian	41,438	99%
3	South-West	Kupe-Manenguba	27,932	99%
4	South-West	Fako	130,250	96%
5	North-West	Momo	61,155	84%

FSC Gaps & Priorities... (cntd)

- About **42% of the food insecure people in NWSW were not targeted** for assistance in 2021, mainly due to limited funding allocation.
- Among the targeted people, a **monthly gap of 25-30%** is still being recorded.
- **Lebialem remains the worst hit division** as there has never been any form of humanitarian food security assistance.

TOP PRIORITY AREAS BY REGION	
North-West Region	South-West Region
Momo	Lebialem
Menchum	Kupe Manenguba
Ngo-Ketunjia	Ndian

PARTNER UPDATES

- Next FSCC meeting is **Tuesday 9th November 2021**

THANK YOU
