

## CO3. RESTORING LIVELIHOODS

During January–March, FSLC partners assisted **6,051** people (or 60%) out of 10,014 people targeted in 2021 HRP. It is 258% higher than the last quarter achievement of 2020 - 1,692 people assisted. The contributors for the first quarter report are DRC (39%), followed by IOM (33%), USAID Economic Resilience Activity (22% of people and 5 educational institutions assisted), UNDP (3.4%), and Caritas (3.3%).

The need to protect and scale up livelihood activities remains high, including promoting community-level resilience to shocks.
