

CO3. RESTORING LIVELIHOODS

During April – June, FSLC partners assisted **860** people (or 9%) out of 10,014 people targeted in 2021 HRP. It is 82% lower than the first quarter of 2021 achievement - 4,743 people assisted. Cumulatively, **5,603** beneficiaries were assisted throughout January – June 2021, or 56% of the total people targeted. The contributors for the first quarter report are FAO (63% of all people assisted in Q2), followed by UNDP (25%), and DRC (12%).

The need to protect and scale up livelihood activities remains high, including promoting community-level resilience to shocks.
