COVID-19 is an emerging, rapidly evolving situation. The information provided in this power point is based on current guidance and is subject to change. (Created 26-3-2020)
Definition

Restriction of activities or separation of persons who are not ill, but who may be exposed to an infectious agent or disease, with the objective of monitoring symptoms and early detection of cases.
Criteria For Home Quarantine

WFP staff will be subject to Home Quarantine for ANY of the below criteria:

- If you have recently traveled outside of the country
- If you begin to feel ill
- If you have had contact with a suspected or confirmed case of COVID-19
- If you have tested positive for COVID-19
- If directed by WFP Senior Management, national policy, or medical professionals
Procedure

Requesting Special Transport

• If any of the Criteria for Home Quarantine are met, contact WFP Transport and request Special Transport

• A dedicated WFP vehicle—equipped with hand-sanitizer, protective mask, and thermometer—will move you to your home (Ref - Special Transport SOP)
Home Quarantine

• Self-monitor your health
• Case Alert Reporting
• ICT Support
• Personal Wellbeing
Provision And Supply

- Staff will be supported utilizing the Warden system and by personally nominated “Buddies.”

- Buddies, with support of the Wardens, will be the focal points for purchasing and delivering food, water, and personal items.

- Staff in quarantine will be provided with a mask and thermometer. If not already collected in the office or vehicle, your buddy will be in charge of collecting these items and delivering it to your accommodation.
Infection Prevention And Hygiene

• Perform handwashing frequently using water and soap (hand sanitizer only if soap unavailable). Always avoid touching your face.

• There will be no cleaning services provided, everything needs to be self-cleaned. Your buddy will be in charge of leaving cleaning materials outside the apartment. Clean and disinfect touched surfaces, bathroom and toilet surfaces at least once daily.

• Laundry will be left outside on the porch during regular laundry days.
Ending Your Quarantine

The quarantine period will generally end after the 14 days quarantine period. This period is subject to change depending on the reason behind staff quarantine and on the requirements of the local authorities.

Individual staff are required to disinfect their own room prior to allowing cleaning staff back in.
