2021 ZEER POTS DISTRIBUTION PLAN WITH CASELOAD & LGAs				
No. of Stoves	State	Targetted/LGA	Project	Remarks
2,500	Borno	Ngala	UNJP/NIR/068/EC	Distributed
3,500	Borno	Dikwa	UNJP/NIR/068/EC	Distributed
3,600	Borno	Gwoza	UNJP/NIR/068/EC	Distributed
400	Borno	Jere (Almaskin C)	UNJP/NIR/068/EC	Not Yet
TOTAL:				
10,000				

2021 FUEL EFFICIENT STOVES DISTRIBUTION PLAN WITH CASELOAD & LGAs				
No. of Stoves	State	Targetted/LGA	Project	Remarks
1,000	Yobe	Fune	OSRO/NIR/100/GER	Distributed
3,000	Yobe	Damaturu	OSRO/NIR/001/SWE	Distributed
2,500	Borno	Ngala	OSRO/NIR/100/GER	Distributed
2,000	Borno	Dikwa	OSRO/NIR/003/EC	Distributed
3,000	Borno	Gwoza	OSRO/NIR/002/GER	Distributed
2,000	Adamawa	Fufure	OSRO/NIR/102/CAN	Distributed
2,000	Adamawa	Numan	OSRO/NIR/102/CAN	Distributed
2,000	Adamawa	Gombi	OSRO/NIR/102/CAN	Distributed
TOTAL:				
17,500				

Briquette Production Centre Beneficiaries						
1	Adamawa	Mubi South	805/NOR	Ngavi	120	120
2	Yobe	Potiskum	102/CAN	Yerimaram/Ti ke	100	100
2	Borno	Biu	805/NOR	Tum	120	120
3	Borno	Jere	805/NOR	Zabarmari	120	120
Grand Total					460	460

FES Production Centre Beneficiaries						
Adamawa	Mubi North	805/NOR	Ngavi	120	120	
Yobe	Fune	102/CAN	Zoto	100	100	
Yobe	Damaturu	805/NOR	Kukareta	120	120	
Grand Total				340	340	

N°	CSA investment projects
	Yobe
1	Climate smart financial instruments and insurance
2	Agroforestry and land management/integrated crop management and integrated soil fertility management
3	Promotion of fisheries and aquaculture
4	Water harvesting, irrigation and water management and water technology for crop production
5	Enhancing climate information networks and the acquisition and use of climate information/extension services by leveraging technology and improving extension services
	Borno
1	Finance for CSA
2	Agroforestry and land management
3	Integrated livestock management (ruminants)
4	Extension services
5	Integrated crop management (soil fertility management, improved varieties, pest management and water management)
	Adamawa
1	Agroforestry (soil regulation and restoration, land reclamation and afforestation)
2	Integrated livestock management (selection of local species, crop residues, animal waste management and pest and disease control)
3	Water harvesting and irrigation for crop production
4	Information services (extension, ICT, market and WCIS)
5	Integrated fertility and crop management

Pipeline Activities/Projects in 2022

■ **2021 – Projects**

- ✓ Distribution of 1000 Fuel-Efficient Stoves in some selected refugee Camps across Cross River, Benue and Taraba states
- ✓ Distribution of **(10,000)** Fuel-Efficient Stoves across Borno, Adamawa and Yobe State.
- ✓ Investment Plan based on the first out of the Five CSA investment projects per state.
