Food assistance to Rohingya refugees is provided by WFP through its partners, World Vision, Save the Children, Resource Integration Center, BRAC, and Relief International. ICRC provides food assistance to Rohingya refugees in Konopara, also known as No Man's Land.

**Key Updates**
- New e-voucher outlet opened in Modhurchara 2 targeting beneficiaries in Camp 3, 4, and 5. 72% of refugees received food through e-voucher and 28% of refugees received food through in-kind food distribution.
- WFP Prevention and Risk Minimization Measures were put in place at all distribution points and e-voucher outlets.
- WFP rolled out Building Blocks at TV Tower covering Camp 2W and 6. Building Blocks uses blockchain technology to make cash transfers more efficient, secure and transparent while protecting beneficiary data, controlling financial risks, and allowing for greater collaboration.

**Changes taking place in April**
- Since 26 March, only critical food assistance activities are allowed in camps as per RRRC directive. General food assistance is ongoing as critical activity.
- E-voucher beneficiaries will receive a fixed food basket which is tailored to beneficiaries’ preferences with consideration to their nutritional value. Please see message by WFP.
- WFP and partners including retailers are putting in place buffer food stock to ensure availability of 2 months worth of food commodities uninterrupted at all times. Changes to commodity prices are being monitored by WFP VAM unit.
- A new e-voucher outlet will open in Lambashia targeting beneficiaries in Camp 1E and 1W in April.
