Summary:

1. Partners Presence SO1 - Wards in which individuals are receiving food assistance
2. Partners Presence SO2 - Wards in which individuals are receiving agriculture and livelihood assistance
3. FSL interventions: Implementation of COVID-19 mitigation and protection measures
4. FSL Cluster COVID-19 Potential projects suspension
About: This map shows wards where interventions have been conducted in the month of June 2020. There is a reduction in total area covered which is as a result of scaling down of food assistance activities following recent harvests.

The designations employed and the presentation of material in the map(s) do not imply the expression of any opinion on the part of WFP concerning the legal or constitutional status of any country, territory, city or sea, or concerning the delimitation of its frontiers or boundaries.
