IRW:
IRW currently working in Mosul, Anbar. focusing on FFRs, and some small businesses. They also distributed 10,000 Food Baskets In Erbil, Baghdad, Mosul and Anbar. They also have plans to distributed FFRs in the first week in Ramadan.

KHO:
KHO has a small project with 2000 Food basket, including 21 items.

SEDO:
SEDO is working more in WASH cluster.

ICRC:
They distributed 500 Food Basket in Erbil in 9th May, in Ramadan they have plan to distribute in other location in Erbil. Community assessments in Suli in Kalar, and Khanaqen. Still in process to collect the data.

OCHA:
- OCHA does not have any actual project/service provision on the ground.
- Work closely with the clusters, we will attend cluster meetings as observers, and if necessary to report back any needs/gaps to management for advocacy.
- GRCs as per each governorate have been established, members for Ninewa are: NRC, ACTED, RNVDO, IOM, UNICEF and UNHCR.
- Through verbal and informal communication from MOMD, there will be no camp consolidation and camp closure in Ninewa in 2018.

WFP:
WFP is currently distributed Family food rations and Cash Assistance in all its camps, they have also resilience project in hamdaniyah to restore Zab canal, 15,000 will get benefit, also they finished the pilot of school feeding in west Mosul for primary schools, also WFP have a caseload of 85,000 beneficiaries per month" for the school feeding.

BCF:
They distributed 1000 FFRs in Erbil for disabled people. For April they distributed FFRs in different location, in May they will have Hot meals activities, and green house in basirma, and renewing green houses in Bahraka.

Next FSC KR-I meeting : TBC
