

This map indicates the areas where Food Security Cluster (FSC) partners have provided humanitarian assistance from January to March 2022 and their nature (food assistance and/or Agriculture-livelihoods). It is based on the FSC 5Ws submission. Hence, it only reflects activities submitted by partners. FSC encourages all Food Security actors to fill FSC's 5WS matrix. This mapping will be updated periodically to provide accurate information.

HRP 2022 : FSC Targeted Area Map

January to December 2022

For 2022, FSC targets 13.2 Millions vulnerable and crisis-affected people in 289 townships out of total 330 townships in Myanmar. Cluster partners will scale up efforts to reach those targeted townships. FSC encourages all FS partners to work on improving access to vulnerable people and to reach 2022 targeted populations. The map below shows the FSC's target per township for 2022.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the UN.
