**Strategic Objective 1 Update**

FSC partners assisted **1,965,338** out of **2,279,947** targeted (86% achievement). This means, for emergency unconditional transfers/assistance to people in IPC 3 or worse, there was a 3% decrease compared to August responses. This is a downward trend in terms of number of people assisted during the month.

WFP response constituted 67%, SCI 8.8%, FAO 5.3%, NRC 3.9%, CWW 2.4%, CARE 1.5%, ACTED 1.3%, COOPI 1.2% and IRW 1%. The remaining ten partners contributed less than 1% each covering the remaining 4.7%. These include: NAPAD, WVI, ACF, IRC, SADO, SIF, VSF Germany, TASCO, QRCS, and OXFAM.

The downward trend in assistance should be reversed to mitigate impact of the extended hunger season. Notably, people assisted with unconditional transfers are mostly those in IPC 3 or worse and experience significant consumption gaps.
