**Strategic Objective 1 Update**

FSC partners assisted 1,693,567 out of 2,279,947 targeted (74% achievement). Emergency unconditional transfers/assistance to people in IPC 3 or worse, there was a 12% decrease compared to September responses. This is a downward trend in terms of number of people assisted during the month.

WFP response constituted 67%, SCI 8.8%, FAO 5.3%, NRC 3.9%, CWW 2.4%, CARE 1.5%, ACTED 1.3%, COOPI 1.2% and IRW 1%. Ten partners contributed 4.7%. The partners are: NAPAD, WVI, ACF, IRC, SADO, SIF, VSF Germany, TASCO, QRCS, and OXFAM.

Sustained assistance should continue to mitigate impact of the extended hunger season. Notably, people assisted with unconditional transfers in IPC 3 or worse and experience significant consumption gaps. The current gaps will certainly increase due to the ongoing flooding. To date, at least 370,000 people have been displaced, food stocks damaged and roads rendered impassable leading to increased market prices.
