Food security situation in Somalia has overall shown improvement in rural, urban and IDPs areas due to favourable dyre climate conditions that enhanced local production and sustained humanitarian assistance. FSC partners assisted 845,737 out of 1,655,504 targeted (51% achievement). There was a general reduction of responses in February 2020 compared to the previous months.

WFP response constitutes 44%, FAO 36%, SCI 12%, CARE 4%, ACTED 2%, CWI, IRW, IRC, Sf, NRC, MRDO and Mercy corps all together contributed 2%. Banadir, Galgadudu, Lower Juba, Middle Juba, Nugaal and Togdheer had less than 25% response.

Notably, people assisted with unconditional transfers are mostly those in IPC 3 or worse who experience significant food consumption gaps.

**People Targeted**

- 1.7 Million
- 50% men
- 50% women

**Partners Reporting**

- 12 partners
