During the month of September, under Objective 2 (Livelihood Seasonal Inputs on Agriculture and Livestock), FSC partners assisted 163,886 beneficiaries with seasonal inputs and livestock asset protection related responses.

For the responses provided in September, FAO contributed 92%, IRW 5%, NAPAD 2%, and the remaining 1% was provided by ACF, VSF-Suisse, Candlelight and WVI combined.

Cumulatively starting August, a total of 189,916 beneficiaries have been assisted with farm inputs, animal treatment and distribution of fishing equipment to fisher folks. The cumulative number of people reached accounts for 18% of the seasonal target (1,060,406).
Gap analysis: Total number of people targeted vs reached, September 2020
