Cluster Obj 2: Livelihood Seasonal Inputs: Agriculture and Livestock), as of May 2020 (Gu Season)

During the month of May, FSC partners assisted 81,747 beneficiaries with seasonal inputs and livestock asset protection.

For the responses provided in May, FAO contributed 85%, OXFAM 7%, World Concern 3% and WARDI 2%. The remaining 3% was provided by QRC, Mercy corps, NAPAD & Relief International combined.

Cumulatively, starting February, a total of 293,575 beneficiaries have been assisted with farm inputs, land preparation and animal restocking (shoats).

The cumulative number of people reached accounts for 32% of the seasonal target (909,130): thus, partners need to scale up.

The map represents cumulative support for the period February to July 2020.
