**FOOD SECURITY**  
**CLUSTER**

**PARTNERS MEETING**

**19th Oct 2021**

**Ministry of Livestock, Forestry and Range  
( MoLFR)  
Federal Government of Somalia**

**Livestock Working Group (LWG)**

# INTRODUCTION

- ▶ The livestock sector falls under the responsibility of the Federal Ministry of Livestock, Forestry and Range (FGS-MoLFR), with the engagement of the livestock ministries of the Federal Member States (FMSs);
- ▶ The shared vision by the FGS, FMSs and by the key stakeholders is for the livestock sector to make a major contribution by 2030 to:
  - (i) improve livelihoods through strengthened sector's climate resilience and increased incomes from livestock products;
  - (ii) enhance the nutrition and food security via an expanded supply of high-quality and hygienic animal proteins; and
  - iii) fuel stronger economic growth via more efficient, inclusive and environmentally sustainable livestock production and expanded value-adding processing.

# Updates

## **Policies and strategies developed**

- ▶ **Livestock Sector development strategy 2030 ( LSDS), with support WB**
- ▶ Meat Act, with Support FAO
