I. Context:
Revenge attacks by Dinka & Nuer in GPAA: +20,000 IDPs (Feb 2020).
Revenge attacks by Murle in Pieri: +30,000 IDPs (16 May 2020).

II. Violence & displacement in GPAA (since 11 Jun 2020):
estimated 10,000 IDPs in and around Pibor Town,
none left Pibor AA site and many more IDPs out in the bush.
Maruwa: estimated 39,000 violence-affected people (6,500 HHs) reported by local organisation, consisting in IDPs from GPAA locations (likely to return) + locals from Maruwa Hills (static).

II. Humanitarians needs:
Priority needs: Food, WASH, Health, ES/NFIs, Protection.

IV. Humanitarian response challenges & way forward:
Juba multi-cluster emergency response team (ES/NFI, CCCM, Health, WASH, FSL) deployed to Pibor since 4 August;
additional response ES/NFI team (IOM) expected in coming week.
ES/NFI responded to 1,500 HH in Pibor and is planning response in Likuangole, Gumuruk and Verthet.
FSL: emergency food distribution took place for 11,000 IDPs by PI.
Nutrition: JAM on ground and responding. Quick assessments undertaken to Likuangole and Gumurukl.
UNHAS flight support for assessment team deployment to Maruwa.
