FSL cluster updates

- IPC analysis started on January 29th and is ongoing. FSL cluster represented by the 27 participants.
- Prioritized use of common services – partners to liaise with the FSL cluster coordinator with areas they wish to use common services. Partners also encouraged to report response in previously prioritised locations to the cluster.
- IM update – planned training in February 2018 on 5Ws reporting

A.O.B

- ✓ Next cluster meeting to be held in the 14th February 2018 at the OCHA conference room
- ✓ The sitting arrangement in OCHA conference room will be reconfigured to accommodate an average of 120 attendants in the conference room. Members appreciated the new sitting arrangement.
