## FSLC 2023 Strategy

- The cluster is revising its strategy to improve its capacity to :
  - Ensure FSL service delivery driven by strategic priorities
  - Inform HC/HCT and donors strategic decision making
  - Plan and implement FSLC Strategy
  - Monitor and evaluate FSLC performance
  - Build National capacity in preparedness and contingency planning
  - Support robust advocacy
- Consult FSL members on their priorities for 2023
  - Surveys (what are your priorities, what support would you like from the FSLC, what tangible results would you like us to achieve together...)
  - Face-to-face / virtual consultations with FSL stakeholders: Leading agencies, NGOs, sub-national clusters, donors, gFSL, other clusters, OCHA...
- Analyse and share the consultation results with FSL members for validation and operationalization of the FSLC 2023 strategy
