- One NNGO co coordinator (SPEDP) alongside INGO (World vision)

## #1 Capacity building (but could be much better):

- GBV/ PSEA (two NNGOs sent to Nairobi for GBV training: Nile Hope & Women's Empowerment alliance);
- Training on cash transfer modality in collaboration with CWG
- Food security assessments:
  - FSNMS enumerators – 1,000 each year (two rounds) includes NNGO & Government;
  - Recruit FSAO – 1:1 mentoring on IPC tools before IRNA missions
- Active in Cash, Livestock & Agriculture TWGs
- Today's theme to identify areas that we collectively 'humanitarian partnership' can do better – it is on the agenda!!
