HRP 2016 – Country Strategic Objectives

- The rights of Palestinians under occupation are protected in accordance with IHL and IHRL

- Ensure acutely-vulnerable Palestinians under occupation in Gaza and the West Bank have access to essential services

- Strengthen the ability of acutely-vulnerable Palestinian households to cope with protracted threats and shocks
The resilience and the productive capacity of vulnerable households are restored/enhanced and livelihoods protected

- Rehabilitation and provision of productive assets and essential infrastructure
- Increase sourcing of quality food from local food producers

Households suffering from lack of access to food are able to meet their basic food needs

- Food in-kind and food vouchers
- Cash-based support

Improved coordination for preparedness and advocacy, activities implementation and information sharing

- Coordination and information sharing, surveys needs assessments
- Emergency and preparedness
- Advocacy
