DISCUSSION

1. Update from FSS Coordinator

- Accommodation at OEA is an issue for WFP staff. It is appreciated if sector partners can represent the sector in certain missions.
- On 23 June, there is an intersectoral mission to Tawergha. If any partner has an issue to cover during the mission, please contact FSS by 23 June morning.
- Implementing partners are advised to register on the UN partners portal system. It is good to share experiences.

2. Situation updates

- **CEFA with JH Consultancies**
 - CEFA is still finalizing the assessments for the target areas in Tripoli and Azzawya, especially in Gargaresh. It is likely to start in August.
- **FAO:**
 - Finalized distribution of seeds and related trainings.
 - Started the tender for water efficiency in the Fezzan region.
- **IOM/DTM**
 - DTM Round 36 for migrants and displaced Libyans will be finalised soon
 - DTM/WFP joint report on the status of migrants, food security, soon to be published.
- **REACH**
 - MSNAs: data collection for the quantitative phase. For the qualitative phase, REACH will approach the sector to discuss the research areas and related questions.
 - Assessment with FAO on agriculture value chains. Report writing will start soon.
 - Labour market assessment report writing is ongoing.
- **IFAD**
 - IFAD doesn't have an entry point to enter Libya. No specific funds yet, but are looking for funds to start operations.
 - IFAD is interested in supporting agriculture-related assessments.

- **ICRC**
 - Looking at Cash for Rent options in Misrata, Tripoli, Benghazi and Sebha
 - Microeconomic interventions to build the capacity for income generation, with linkages to WFP's food assistance for training programme

- **WFP**
 - Food assistance is ongoing and expansion of the e-voucher system
 - Climate Change Assessment is ongoing
 - Conflict Sensitivity Assessment is ongoing
 - Many agencies participated to to the Nexus Working Group mission to Sebha on 26 May. A follow-up ad hoc remote Nexus meeting with the Mayor of Sebha was held last week, where agriculture sector was highlighted. Any interested organisation can contact the Nexus Working Group Coordinator.

3. Presentation on Inter-Agency referral System (Protection Sector)

- The Protection Sector presented the Inter-Agency Referral System to FSS partners, discussing the need for it, what to do, and to whom to refer the cases. The objective is to create a referral platform with an automated process, through referral SOPs and forms, service mapping and referral pathways.
